Preamble

- A. The Laborer's International Union of North America, AFL-CIO, CLC, Local 777, (hereinafter referred to as UNION) a recognized employee organization, and the City of Pasadena, (hereinafter referred to as "City"), have been meeting and conferring consistent with Section 3500 *et seq.* of the Government Code and have reached agreement.
- B. It is the intent and purpose of this Memorandum of Understanding ("MOU") to set forth the total and complete understanding and agreement between the parties regarding wages, hours and other terms and conditions of employment. All prior or existing written understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby expressly superseded or terminated in their entirety.

ARTICLE 1 Recognition

- A. In accordance with provisions of the Charter of the City of Pasadena, the Meyers-Milias-Brown Act and provisions of Employer-Employee Labor Relations Resolution No. 555, (hereinafter referred to as Resolution No. 555) the City acknowledges the Union as a recognized employee organization for the purpose of meeting and conferring regarding wages, hours and other terms and conditions of employment for those employees in certain specified classifications in Exhibit I. All other classes not specifically listed are not covered by this MOU.

ARTICLE 2 Term of MOU

- A. The term of this MOU shall be July 1, 2019 through June 30, 2022. No economic modifications to the MOU go into effect prior to the date of City Council approval of this MOU.
- B. This MOU shall in all respects be subject and subordinate to the provisions of the Pasadena City Charter, and State and Federal statutory law.

ARTICLE 3 Scope

- A. Management Rights
 - 1. The scope of representation shall include all matters relating to wages, hours and other terms and conditions of employment, except however, that the scope of representation shall not include consideration of the merits, necessity or organization of any service or activity provided by law or executive order; which shall include but not be limited to the right of the

City to: direct, supervise, hire, promote, suspend, discipline, discharge, transfer, assign, schedule and retain employees; relieve employees from duties because of lack of work or funds, or under conditions where the employer determines continued work would be inefficient or non-productive; determine services to be rendered, operations to be performed, utilization of technology, and overall budgetary matters; determine the methods, processes, means, job classifications, and personnel by which government operations are to be conducted; determine the overall mission of the unit of government; maintain and approve the efficiency and effectiveness of government operations; take any necessary actions to carry out the mission of an agency in situations of emergency; and take whatever other actions may be necessary to carry out the wishes of the public not otherwise specified above or by collective agreement.

2. When the exercise of City rights has an impact on matters within the scope of representation the City will give notice to the Union at least 14 days prior to the implementation of any changes to City and/or Department procedures and/or policies; and, upon request, meet regarding the impact of the City's decision(s).
3. Rules and regulations affecting matters within the scope of representation may also be changed by the City from time to time after meeting and conferring with the Union; however, rules and regulation changes shall not contradict specific provisions of this MOU.

B. Union Rights

1. The designated Union officers and designated representatives and stewards shall be permitted to engage in contract disputes during the term of the MOU, and the adjustment of grievances of employees in the bargaining unit, subject to the limitations set forth in this MOU. Except in extraordinary circumstances, these permitted activities performed during the normal employee duty time of such designated and appointed officers and stewards shall fall within one of the following categories:
 - a. Discuss with an employee a grievance or complaint;
 - b. Make inquiries in order to obtain relevant information related to a grievance, including discussions with supervisors, other employees or other management officials provided that such inquiry will not include the right, while on City time, to question visitors or non-employees of the City;

- c. Assist employees in preparation for, or represent employees in, the appeal and review steps of the grievance procedure or in arbitration;
 - d. Attend meetings with supervisors or other management officials with respect to grievance adjustments, consultation or general discussion directly related to wages, hours or working conditions, and other matters mutually agreed upon;
 - e. Prepare for meetings mutually agreed by the City and the Union to be scheduled for conferral or other purposes. This shall include Union Executive Board meetings, only where the purpose of such meetings is to prepare for meet and confer sessions with the City;
 - f. Attend meetings where disciplinary action is to be taken, when requested by the employee. If the employee does not request representation, representatives of Union shall not be entitled to be present;
 - g. Attend Chapter Board meetings and monthly membership meetings.
2. Subject to the limitations above in a through f, with respect to paid time for such activities, the City agrees that duly designated union officers and other representatives will be allowed to meet with Management representatives during normal working hours without loss of pay. The foregoing release from normal working duties is subject, however, to the requirement that when any such designated union officer or representative is representing an employee, they will request the permission of the immediate supervisor in reasonable advance, or when possible, two (2) working days in advance of any meeting, advising the supervisor of their destination and when they expect to return. Such request will be granted by the supervisor unless work processes require the presence of the employee at that time. If the request is denied, the employee shall be released as soon as possible. Upon returning to their duty station, the union officer or representative will notify their supervisor. Upon arriving at the work place of the employee to be represented, the union officer or representative will normally be permitted to contact the employee. The represented employee also shall be required to request permission for time off in reasonable advance or, when possible, two (2) working days in advance of any meeting. To the maximum extent possible, interviews between representatives and the employees will be held away from other employees and away from the public. If the union official is not permitted to contact the employee at the immediate time of their arrival at the work place, the supervisor in charge will advise the union officer or

steward the reason why they cannot do so and the time when the employee will be available.

3. All union activities shall be conducted in such a manner as not to disrupt the work activities of the employees involved.

C. Union Representatives

1. The City agrees to recognize and deal with an appropriate number of officers, including stewards, so that each employee in the bargaining unit will have reasonable access to a representative. Notice of changes in the selection of officials and stewards, and their alternates, will be given to the Human Resources Director whenever such changes occur.
2. The Union endorses the concept of employees utilizing the steward in the employee's assigned work area; provided, that it is recognized that there may be necessary occasions when a different steward or union officer or their designee from among the list of authorized representatives provided to the City, shall take over representation of the aggrieved employee. In such cases, the union will promptly notify the department head and the Human Resources Department of the change.
3. The City will provide, with the approval of the Director of Human Resources, reasonable time off to conduct union business.

ARTICLE 4 Non-discrimination

The provisions of this MOU shall be applied equally to all employees and the City and the Union agree that they shall not unlawfully discriminate on any basis that is protected by law.

 3. Notices of union appointments and results of union elections;
 4. Notices of union meetings;
 5. Constitution, by-laws, and proposed amendments;
 6. Such other notices as may be mutually agreed upon by the Union and the Director of Human Resources.

- B. All materials posted on bulletin boards shall indicate the date the material was posted and shall identify that the Union has posted it and clearly indicate the author's identity, preferably by signature by an official of the Union. It must be clearly understood that such material is not official material or endorsed by the City, and the material must not contain anything that would identify it as such.
- C. In no case shall obscene or personal attacks on any City employee be placed on any bulletin board. Copies of all information posted on any bulletin board shall be submitted to the Human Resources Department at the time of their posting. In the event objectionable material is posted, the City Human Resources Director will so inform the union representative, stating the basis for the objection, and such material shall be removed from the bulletin board immediately.
- D. The Union shall not post, nor authorize its members to post, any material anywhere upon the City's property except as herein provided. The City may remove or relocate any of its bulletin boards in the event of violations of this section or for reasons such as alterations in the physical facilities, etc., and will inform the Union whenever the City removes such bulletin boards.
- E. Excluding lunch and rest periods, in no case will the distribution of literature at the work place of employees be allowed during regular working hours.

ARTICLE 6 No Strike

- A. The parties to this MOU recognize their mutual responsibility to provide the citizens uninterrupted municipal services. Therefore, for the duration of this MOU, and after expiration of this MOU and through the completion of labor negotiations, as long as the parties are attempting to reach an agreement on a successor MOU (but no later than the declaration of impasse by either party), the Union agrees not to conduct a work slowdown which causes an impact on the performance of work, strike, sympathy strike, or lockout activities and the City agrees not to engage in a lock-out of employees
- B. Any employee who participates in any conduct prohibited in Section A shall be subject to discipline.

ARTICLE 7 Savings Clause

Should any part of this MOU be rendered or declared illegal or invalid by legislation, decree of court of competent jurisdiction or other the Public Employment Relations Board, such invalidation shall not affect the remaining portions of this MOU.

ARTICLE 8 Impasse

Should the parties' labor negotiations reach impasse, the parties will follow the process identified in City Council Resolution 555. A request to use compensatory time off without reasonable notice may still be granted within the discretion of the supervisor or manager responsible for considering the request.

Overtime Meals: When an employee is scheduled to work overtime, recalled from home to work outside of regular work hours, or remain on the job for four or more hours after the end of their normal working day, they shall, if possible to do so, be given meals at intervals of approximately four (4) hours; provided, however, that in no event shall an employee be required to work more than five (5) consecutive hours beyond the regular work hours without a meal. 7. Call Back Pay: Employees recalled to work unexpectedly (without advanced notice) outside of their regular shift shall receive pay for a minimum of two (2) hours pay at time and one half base pay unless such call-in immediately preceded an employee's scheduled shift.
 - a. If an employee is on an approved leave of absence but, due to an operational need for his/her service is called back to work, the employee will not be paid a two hour minimum but rather for the actual hours worked.

A. Sick Leave

The Sick Leave is a benefit and not a right and may be granted for:

- Personal illness or injury;
- Absences for medical, dental, and/or vision care appointments; or
- To attend to an immediate family member (child, parent, spouse registered domestic partner, parent in law, grandparent, grandchild or sibling as defined by California Labor Code section 233) in who is ill/injured and needs care as permitted by that law. For these family members employees may use up to one half of one year's annual accrued sick leave per fiscal year.

1. Sick Leave Provisions

a. Sick Leave Accrual

- i. Full-time employees are eligible to accrue up to eighty (80) hours of sick leave per calendar year (3.08 hours per pay period). An employee may not accrue more than 1200 hours of sick leave.

b. Sick Leave Usage

- ii. An employee may not accrue more than 1200 hours of sick leave. Once an employee reaches the maximum accrual, he/she will not accrue additional sick leave until his/her sick leave accrual is below 1200 hours.
- iii. Employees cannot have negative use of sick leave hours.
- iv. Every employee who is unable to report to work for his/her scheduled shift shall either call, or have someone call his/her supervisor or designee preceding the time he/she is scheduled to report to work informing the supervisor that he/she is sick. If a supervisor doesn't answer at the time of the call, a message should be left informing the supervisor that the employee will not be at work that day absence.

- v. The department head or his/her designee has the authority to approve sick leave for unit members.
 - vi. The parties acknowledge that the Personnel Rules and Regulations and the law address employee rights for those who have been the victim of domestic violence.
- c. Verification of Sick Leave
- i. Unit members who use sick leave for four consecutive days or longer shall submit a signed verification of the need for absence due to illness/injury or the need to care for a family member. The verification must be provided by the personal physician attending to the employee or family member, and presented to the employee's supervisor before returning to work.
- d. Enhanced Verification Requirements
- i. In addition to Section A.1.c.i, the employee's supervisor, with the concurrence of Human Resources, may request future verification when less than four consecutive days of sick leave is taken and reasonable suspicion of sick leave abuse exists, if one of the following also applies:
 - (1) The employee has used 80 hours or more of sick leave within the 12 months immediately preceding the request for sick leave. The 80 hours shall not include any time off on an approved Workers' Compensation claim, FMLA/CFRA/PDL or other legally protected leave of absence.

For purposes of this section, reasonable suspicion shall include, but is not limited to, a documented pattern of absences over a reasonable period of time; calling in sick when a vacation request was denied; use of sick leave at the start or end of a workweek; or calling in sick preceding or following a holiday.
 - ii. When the prerequisites of Section A.1.c.i are met, the employee's supervisor and a representative of Human Resources will meet with the employee and provide a written directive regarding future sick leave verification. The directive will require the employee to provide verification of sick leave (which may be more frequently than is

required by Section A.1.c.i) for 90 calendar days, instruct the employee on specific call-in procedures, and other relevant matters. The employee will be afforded an opportunity during this meeting to respond and offer good cause for the use of sick leave. At the end of the 90 days, the parties will reconvene to either release the employee from the constraints of the written directive or to extend the duration of the directive.

- iii. The verification must be provided by the licensed personal physician, osteopath, chiropractor, psychiatrist, psychologist, certified therapist or Christian Science practitioner attending to the employee or family member, and presented to the employee's supervisor before returning to work.
- iv. A unit member, who, while on vacation, becomes ill/injured and who provides a doctor's verification of illness/injury prior to returning to work which verifies that leave for injury or illness in excess of four days was required, may request that the vacation time be substituted with sick leave.

e. PERS Credit for Unused Sick Leave

- 2. Immediate family member is defined as spouse, child, parent, brother or sister, parents or siblings of spouse, grandparent, grandchildren, step children, step parents, step siblings or domestic partner as defined by State law. Under special circumstances, the department head may approve bereavement leave upon the death of an individual not specified as the employee's immediate family member as herein defined.

C. Workers' Compensation Leave

1. The City will comply with the workers' compensation laws of the State of California.
2. In addition to the benefits provided under the law, for workers' compensation claims which have been accepted by the City, the City will supplement workers' compensation temporary disability payments to provide salary continuance in an amount equal to the annual base pay of the employee (less any required state and federal taxes). Claims that have been denied are not eligible for this benefit.
3. Supplemental payments will begin from the date of accepted injury and will continue for a period of time not to exceed nine (9) months. Employees who may return to work with work restrictions and who are offered modified/light duty which is consistent with the employee's work restrictions, as determined by his/her treating physician or workers' compensation physician will discontinue receiving supplemental payments.
4. If an employee returns to work or is able to return to work in a modified/light duty capacity and has not received the full nine (9) months of supplemental payments and subsequently needs to be off work again for the same workplace injury/illness, the employee will be eligible for supplemental payments not to exceed a cumulative total of nine (9) months for the same injury/illness.

D. Military Leave

Military leave of absence will be granted and paid in accordance with law.

E. Witness Leave

In accordance with Government Code Section 1230.1, when an employee is served with a subpoena which compels his/her presence as a witness, he/she shall be granted a leave of absence with pay (not to be considered vacation) in the amount of the difference between the employee's regular earnings and any amount he/she receives for such appearance unless he/she is a litigant in or party to the action, or an expert witness.

F. Maternity Leave/Reduced Work Week Schedule

In the event of the reduction of the work force, existing vacancies shall be used to the maximum extent possible to relocate affected employees, regardless of departmental jurisdiction.
2. Layoff shall be made by specific classification.
3. Within a given class, individuals will be laid off based upon seniority in that classification. For the purposes of bumping, seniority shall include time worked in the current class, the previously held class, plus time worked in directly related higher classifications.
4. The layoff priority of employment categories shall be as follows:
 - a. Probationary, regular, part-time employees.
 - b. Probationary, regular, full-time employees.

- c. Regular, part-time employees who have completed their probation.
 - d. Regular, full-time employees who have completed their probation (for purposes of this policy, employees who work 30 hours per week or more are defined as "full-time".)
5. Departments which anticipate a possible reduction in staff because of the acquisition of new equipment, change in procedures, or for any other reason, shall notify the Human Resources Department and the affected employee as soon as possible in order that appropriate procedures may be initiated. The Human Resources Department will advise the Union of the impending reduction in staff with enough notice to allow for the exploration of alternatives to layoffs.
6. Employees for whom a layoff appears imminent shall be placed upon a retention list for that class. All vacancies within that class shall be filled from the retention list prior to using the regular eligible or any existing recall lists. The conditions applying to this list shall be as follows:
- a. Based upon seniority in their present class, employees will have the right to transfer to any vacant position in the same class if they meet the minimum requirements for the vacant position.
 - b. If qualified, employees shall have a right to a demotion to another classification in their own department or this bargaining unit if a vacancy exists and is to be filled.
 - c. If any employees cannot be placed under the provisions of Paragraphs a. and b. above, such employees may be considered by other departments as follows:
 - i. The employee is physically able to perform the required duties.
 - ii. The position is not one of greater supervisory responsibility and is compensated at a rate equal to or less than the employee's present rate.
 - iii. The employee meets the minimum qualifications and physical standards of the position.
 - iv. Departments, other than the one in which the particular layoff occurred, are not obligated to accept the laid-off

employee unless the classification is covered by this bargaining unit.

7. Based upon his/her seniority as defined in this Section an employee may exercise a displacement (bumping) right to a position which he/she formerly held on a regular basis.
8. Employees transferred to a new position in the same class shall receive the same salary step and retain the same anniversary date as in their previous position.
9. Employees who, in order to avoid being laid off, accept voluntary demotion shall be compensated in the established salary range of the class into which they transfer at the step nearest to, but not greater than, that received in their former classification. The employee's rate of pay shall be changed at the time that the reassignment is made or new duties and responsibilities are assumed and the employee shall retain the previous employment date for purposes of step advancement.
10. Employees who accept voluntary demotion shall be placed on a reemployment list for their previous classification in accordance with this Section below. Rejection of a reappointment offer shall terminate eligibility for future consideration.
11. Employees who are subject to impending layoff may not be transferred to a vacant position with a higher salary range except through participation in the normal examination and selection procedures, as established by the Human Resources Department.
12. Employees who cannot be placed, and must be laid off, shall have their names placed on a recall list and shall be eligible as follows.
 - a. To compete in promotional examinations for which they are qualified for a period of 18 months.
 - b. To hold recall rights for a period of 18 months and be eligible for any vacancies which may occur during this period in the classification held by the employee, provided that the employee is able to perform the duties of the job.
 - c. Employees who are laid off will be given the following considerations with regard to their other accumulated benefits:

- i. Employees will not continue to accumulate any longevity-based benefit during the period that they are laid off, but will retain any benefits accumulated to the date of layoff. Employee retirement benefits cease at the time of, and will not be paid during a layoff period.
 - ii. The employee may remain in a layoff status for a maximum of 18 months. If the employee is recalled during this time, reinstatement will be made and all rights and benefits will be restored as a regular employee from the date of their first appointment within the period of the most recent continuous service, with an appropriate adjustment for the time that was not actually worked on the job.
 - iii. The laid-off employee will have the option of receiving payment for any accumulated vacation and/or sick leave, within the provisions of the respective policies, at any time during the layoff period. Such payments will be made in one sum.
 - iv. Employees who claim payment for accumulated vacation and/or sick leave and are subsequently recalled, will begin re-accumulating the claimed benefit(s) on the date that they report back to work.
 - v. Laid-off employees who are not recalled within the 18-month period will be completely separated from the City service and will automatically receive payment for any accumulated vacation which has not been previously claimed.
- d. Employees laid off and given an opportunity to return to their job classification shall be allowed a maximum of 14 calendar days after such notification to make themselves available. If an employee refuses such an opportunity to reemployment, the employee will be removed from the recall list.
13. Provisional or temporary employees may be separated by the appointing authority without regard to seniority status, and shall have no recall rights, but may be returned to their former place on the eligible list.
14. Employees who: (a) may be transferred, (b) accept a voluntary demotion, (c) are reemployed by the City, shall meet the job requirements of the class into which they are placed.

15. Questions on seniority status, which affect retention and recall that are influenced by previous reclassification actions, shall be adjudicated by the Director of Human Resources.

D. Procedure

1. Notice: Each affected employee shall receive written notice from the appointing authority, specifying the exact date when layoff is to be effective; and at least two weeks' notice shall be given.
 - a. The commencing date of the recall rights of the employee shall start from the effective date of layoff.
2. Recall List: The Human Resources Department will automatically establish a recall list by classification for a period of 18 months.
 - a. All departments where classifications exist for which a recall list has been established will be notified of the availability of individuals on the recall list.
 - b. Individuals on the recall list will be appointed to vacancies for which they qualify in the department from which they were laid off, so long as any person in that class is on such a list, before any other names on any other eligible lists - promotional or open competitive - are used.

E. Severance

Employees who are laid off will receive severance pay equal to one month of base pay for each year of full-time employment with the City subject to a maximum of six months' pay. Severance payments will be made monthly and will be discontinued should the individual be re-employed by the City.

ARTICLE 26 Work Schedules and Work Weeks

- A. Work schedules are defined as an employee's regularly assigned hours of the day and days per week.
- B. Unit members work a seven day FLSA work week (168 recurring hours).
- C. Work schedule is defined as an employee's regularly assigned hours of the day and days per week and may include:

1. The 9/80 schedule (four nine hour days per work week and one alternating eight hour day/regular day off). Employees working the 9/80 have a FLSA work week designated as beginning four hours into their alternating regular day off (eight hour day).
 2. The 5/40 schedule (five eight hour days per work week). Employees working the 5/40 have a FLSA work week designated as beginning at 12:00 a.m. on Monday through 11:59 p.m. Sunday.
 3. The 4/10 schedule (four ten hour days per work week). Employees working the 4/10 have a FLSA work week designated as beginning at 12:00 a.m. on Monday through 11:59 p.m. Sunday. Classifications working the 4/10 work schedule include: Community Services Officer, Forensic Specialist, Police Dispatcher, Police Specialist II, Police Specialist III and Staff Assistant IV.
 4. The 3/12 schedule (three twelve hour days per work week and one alternating eight hour day every other week). Employees working the 3/12 schedule have a FLSA work week designated as beginning four hours into their alternating eight hour work day. The only classification working a 3/12 work schedule is a Police Dispatcher
- D. The City shall give notice to the Union and, upon request, meet and confer on City proposals to reduce regular work hours in lieu of layoff.

ARTICLE 27 Seniority

- A. Seniority shall be determined by the length of time the employee has been in the current classification.
- B. For computation of wage increase, evaluations and supplemental benefits (vacation, sick leave, etc.) the Date of Appointment is the date the employee was first appointed to a "regular" position. For employees who were reclassified into a new classification and would otherwise have the same seniority date in the new classification, seniority is determined by the seniority in their prior classification.
- C. If an employee is hired on a part time, temporary or federally funded status into a classification and without a break in service is subsequently appointed to the same position on a "regular" status, the date of first hire on the temporary status is the Date of Appointment.

ARTICLE 28 Probation

- A. Initial Appointment - Except as provided by administrative regulation, and except as otherwise provided in this paragraph, all employees employed by the City hereunder, as part of the examination process, shall serve an initial probation period of continuous service as specified on the job specification at the time of hire. Any employee serving an initial probation period may be terminated with or without cause at the discretion of the appointing authority. Probation periods shall be deemed to be part of the examining process. Such initial probation period shall not be extended.

- B. Promotional Appointment - Employees who are promoted shall serve a twelve month probation period of continuous service in the higher classification. Any employee serving a promotional probation period may be returned to his former classification during such probation period if a vacancy exists, but such probation period shall not be extended. Any employee serving a promotional probationary period may request to be returned to his/her former classification. Further, if the employee so requests, said employee shall be returned to his/her last regular classification during the probationary period or as soon as possible, provided that a vacancy exists and there are no other actions pending against the employee.

ARTICLE 29 Drug and Alcohol Use

It is the responsibility of the City, the Union, and employees to maintain a safe, healthy, and productive work environment. In order to fulfill said responsibility, the parties have agreed to the following policy:

- A. Purpose
 - 1. It is the purpose of this policy to eliminate substance abuse and its effects in the workplace, and to ensure that employees are in a condition to perform their duties safely and efficiently, in the interests of their fellow workers and the public as well as themselves.
 - 2. Regardless of any provision in this policy, the parties understand that the City may discipline employees based on its investigation of misconduct, either on duty or off duty.

- B. Policy
 - 1. It is City's Policy that employees shall not be under the influence of or in possession of alcohol or drugs while on City property, at work locations, while on duty, or before reporting for duty; shall not utilize such substances when they have a reasonable expectation of call in for duty; shall not possess, provide

or sell illegal drugs to any other employee or to any person while on duty; not have their ability to work impaired as a result of the use of alcohol or drugs (whether lawful or unlawful drugs).

2. While use of medically prescribed medications and drugs is not per se a violation of this policy, the employee must notify his/her supervisor, before beginning work, when taking medications or drugs (including the possible effects of taking such medication and drugs) which could foreseeably interfere with the safe and effective performance of duties or operation of equipment. In the event there is a question regarding an employee's ability to safely and effectively perform assigned duties while using such medications or drugs, clearance from a qualified physician may be required.
3. If the City has a reasonable suspicion that an employee may have drugs, alcohol or paraphernalia related to its use on City property, the City may search, without employee consent, all areas and property in which the City maintains control or joint control with the employee, such as desks, file cabinets, City vehicles, etc. Otherwise the City may notify the appropriate law enforcement agency that an employee may have illegal drugs in his or her possession or in an area not jointly or fully controlled by the City, such as lockers assigned exclusively for the employee's personal use.
4. Employees reasonably believed to be under the influence of alcohol or drugs shall be prevented from engaging in further work and shall, for safety purposes be provided transportation from the work site.
5. The City is committed to providing reasonable opportunity for rehabilitation for those employees whose drug or alcohol problem classifies them as disabled under federal and/or state law. Employees whose use of drugs or alcohol prohibits them from performing the duties of their position, or whose use constitutes a direct threat to property or the safety of others, are not considered disabled under federal or state law.
6. The City has established a voluntary Employee Assistance Program (EAP) to assist those employees who voluntarily seek help from alcohol or drug problems. Employees should contact their supervisors or the City's Wellness Coordinator in the Human Resources Department for additional information.
7. Employees who voluntarily seek treatment for substance abuse requiring an absence from work may, with department head approval, be allowed to use earned sick leave and/or vacation during such absence. In the absence of any pending disciplinary action, employees may admit to a substance abuse problem without fear of reprisal because of their admission or abuse problem.

C. Application

This policy applies to all employees in the bargaining unit. This policy applies to alcohol and to all substances, drugs or medications, legal or illegal, which could impair an employee's ability to effectively and safely perform the functions of the job.

D. Employee Responsibilities

An employee must:

1. Refrain from the use of, or possession of, illegal drugs or narcotics while on duty or off duty;
2. Not report to work while his/her ability to perform job duties is impaired due to on or off duty alcohol or drug use;
3. Not possess or use alcohol or impairing drugs (illegal drugs and prescription drugs without a prescription) during working hours or at anytime while on City property;
4. Not directly or through a third party sell or provide illegal drugs to any person, including any employee, while either employee or both employees are on duty;
5. Submit immediately to a urine, breath or blood test, or other test as deemed appropriate, when ordered by a supervisor or manager who has reasonable suspicion that an employee is intoxicated or under the influence of drugs or alcohol while on the job;
6. Notify his/her supervisor, before beginning work, when having consumed alcohol or when taking any medications or drugs, prescription or non-prescription, which may interfere with the safe and effective performance of duties or operation of equipment;
7. Provide within 24 hours of request bona fide verification of a current valid prescription for any potentially impairing drug or medication identified when a drug screen/test is positive. The prescription must be in the employee's name; and
8. Report to the supervisor or take other appropriate action when they have knowledge of objective evidence that other employees may be under the influence of drugs or alcohol or engaging in illegal drug related activities.

9. Employees who believe they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance from the Employee Assistance Program or other resources available in the community. While the City will be supportive of those who seek help voluntarily, the City will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

E. Management Responsibilities and Guidelines

1. Managers and supervisors are responsible for reasonable enforcement of this policy, and for the administration of discipline as deemed appropriate, consistent with the Discipline Section.
2. Managers and supervisors may request and, if necessary, subsequently order that an employee submit to a drug and/or alcohol test when a manager or supervisor has a reasonable suspicion that an employee is intoxicated or under the influence of drugs or alcohol while on the job. "Reasonable suspicion" is a belief based on objective facts sufficient to lead a reasonably prudent person to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform his/her job safely is reduced. In addition, reasonable suspicion may be based on:
 - a. Possession of alcohol or drugs; or
 - b. Information obtained from a reliable person with personal knowledge. The supervisor shall make reasonable attempts to verify or corroborate such information prior to requesting or ordering an employee to submit to a drug test.
3. If the manager or supervisor reasonably believes that an employee is under the influence, the employee shall be advised of his/her right to representation. Upon the employee's request for representation, any interrogation or testing shall cease until representation is present, unless representation is not immediately available.
4. Any manager or supervisor requesting or ordering an employee to submit to a drug and/or alcohol test shall document in writing the facts constituting reasonable suspicion that the employee in question is intoxicated or under the influence of drugs. When possible, the supervisor shall seek the opinion of a person such as a police officer who is trained to recognize persons under the influence prior to ordering an employee to submit to a drug test.

5. Any manager or supervisor encountering an employee who refuses an order to submit to a drug and/or alcohol analysis shall remind the employee that failure to comply is insubordination and will result in disciplinary action. Where there is reasonable suspicion that the employee is under the influence of alcohol or drugs, the manager or supervisor shall, for safety purposes, provide the employee transportation from the work site.
6. Managers and supervisors shall not physically search the person of employees, nor shall they search the personal possession of employees without the consent of the employee.
7. Managers and supervisors shall notify the appropriate law enforcement agency when they have reasonable suspicion to believe that an employee may have illegal drugs in his or her possession, or when the supervisor is unable to reasonably control a situation where the employee poses a potential liability to himself/herself, or others.

F. Physical Examination and Procedure

The urine, breath, blood, or other appropriate test may test for any substances which could impair an employee's ability to effectively and safely perform the functions of his/her job, including, but not limited to, prescription medications, alcohol, heroin, cocaine, morphine and its derivatives, P.C.P., methadone, barbiturates, amphetamines, marijuana and other cannabinoids. Any positive drug test shall be confirmed by a reliable test. The confirming test must be at the same or better level accuracy as a Gas Chromatography/Mass Spectrometry (GC/MS) test. Employees who are being tested shall have the right to request a sample split for analysis by an independent laboratory.

G. During Employment Alcohol/Drug Tests

1. A positive result with confirmation from a drug and/or alcohol analysis may result in disciplinary action, up to and including discharge. However, consideration may be given to postpone, reduce or cancel pending disciplinary action when an employee voluntarily obtains treatment for a substance abuse problem.
2. If the drug screen is positive, the employee must provide within 24 hours of request, a bona fide verification of a valid current prescription for the drug identified in the drug screen. The prescription must be in the employee's name. If the employee does not provide acceptable verification of a valid prescription, or if the prescription is not in the employee's name, or if the employee has not

previously notified his or her supervisor, the employee will be subject to disciplinary action up to and including discharge.

3. If an alcohol or drug test is positive for alcohol or drugs, the City shall immediately conduct an investigation to gather all facts. Any decision to discipline or discharge will be made at the earliest possible time and shall be carried out in conformance with applicable discipline procedures:

H. Confidentiality

Laboratory reports or test results shall not appear in an employee's general personnel folder. Information of this nature will be contained in a separate confidential medical folder that will be securely kept under the control of the Director of Human Resources. Disclosures, without patient consent, may also occur when: (1) the information is compelled by law or by judicial or administrative process; (2) the information has been placed at issue in a formal dispute between the employer and employee; (3) the information is to be used in administering an employee benefit plan; (4) the information is needed by medical personnel for the diagnosis or treatment of the patient who is unable to authorize disclosure.

ARTICLE 30 Health and Safety

- A. The parties agree that a successful health and safety program depends on a cooperative effort among the parties, and the active participation in and support of safe working practices. In recognition of these shared responsibilities, the parties agree to assume reasonable roles in maintaining a viable safety and health program, to cooperate in promoting safety, and to encourage fellow workers to observe safety rules while performing their duties.
- B. It is the duty of all employees covered by this MOU, in the course of performing their assigned duties, to be alert to unsafe practices, equipment, and conditions and to report any unsafe practices or unhealthy conditions to their immediate supervisor.
- C. Should a dispute arise over the application or interpretation of a safety rule, such dispute shall be resolved by use of the grievance procedure; or at the City's option, by engaging the services of a qualified safety consultant who will be agreed upon mutually. However, nothing in this MOU shall prohibit the employee or the union from exercising their rights to take any safety issue to the appropriate State or Federal agency, once the City has had a reasonable opportunity to correct the problem.

ARTICLE 31 Contracting Out

If, during the term of this MOU, the City proposes to contract out bargaining unit work, the City shall notify the Union, in writing, after a Request for Proposal is approved and received by the City. Upon written request from the Union, the City shall meet with the Union to negotiate the impact on employees of any proposed contracting out prior to contracting out any bargaining unit work.

ARTICLE 32 Bullet Resistant Vests

- A. Unit employees in the classification of ID Technician, Parking Enforcement Representative, and Community Services Officers who are assigned field duties and who are required to be present at crime scenes, etc., may request that the Department provide them with a bullet resistant vest.
- B. New safety vests will be provided as department issued safety equipment on an as needed replacement basis per the suggested guidelines established by the manufacturer for those employees already possessing a vest. Once replaced by the City to a member, the safety vests must be worn at all times when the employee is assigned to the Field, or on another assignment where safety vests are typically worn.
- C. Reimbursement will not exceed \$520.00.

ARTICLE 33 Job Specifications

In the event the City changes the job specifications or job bulletins for any bargaining unit classification, the City agrees to meet and confer with the Union prior to implementation over any negotiable impact that such changes may have on wages, hours or other terms and conditions of employment for bargaining unit employees.

ARTICLE 34 Employee Lists

Upon request the City agrees to provide the Union with an employee list of bargaining unit employees. The list shall include each employee's name, job classification, department and mailing address.

ARTICLE 35 Labor-Management Committee

- A. The parties agree to establish a labor-management committee to discuss issues which affect employees in the LIUNA bargaining unit.

- B. At the written request of either party the committee shall convene and shall meet quarterly during regular working hours. The committee shall consist of up to three (3) Management representatives and up to three (3) Union representatives.
