SECTION I - GENERAL PROVISIONS

1. Preamble

Local 858, affiliated with AFSCME Council 36, AFL-CIO, hereinafter referred to as the Union, and the City of Pasadena, hereinafter referred to as City, have been meeting and conferring consistent with the Meyers-Milias-Brown Act of the Government Code and have reached an agreement.

It is the intent and purpose of this Memorandum of Understanding (MOU) to set forth the total and complete understanding and agreement between the parties regarding wages, hours and other terms and conditions of employment. All prior or existing understandings, past practices or agreements by the parties, whether formal or informal, written or oral, regarding any such matters are hereby expressly superseded or terminated in their entirety.

In the event of a conflict between the Manual of Personnel and Administrative Rules and this MOU, the MOU shall take precedence.

2. Recognition

In accordance with the Pasadena City Charter, Section 3500 *et seq.* of the California Government Code, and provisions of City Resolution No. 555, the City acknowledges the AFSCME Local 858 as the exclusively recognized employee organization for those classifications specified in Exhibit I, for the purpose of meeting and conferring regarding wages, hours, and other terms and conditions of employment.

3. Term of MOU

- A. The term of the MOU is July 1, 2019 – June 30, 2022. This MOU shall continue in effect through negotiation of a successor MOU and including through the impasse procedure if invoked.
- B. This MOU shall in all respects be subject and subordinate to the provisions of the Pasadena City Charter, and state and federal statutory law.
- C. All changes the parties agreed to in this MOU (with a term of July 1, 2019 – June 30, 2022) become effective November 25, 2019 and apply to employees in the bargaining unit as of the same date unless otherwise identified with a specific effective date.

4. Scope

A. Management Rights

The scope of representation shall include all matters relating to wages, hours and other terms and conditions of employment, except however, that the scope of representation shall not include consideration of the merits, necessity or organization of any department, commission, board or committee provided by law or executive order, which shall include but not be limited to the right of the City to: direct, supervise, hire, promote, discipline, discharge, transfer, assign, schedule and retain employees; relieve employees from duties because of lack of work or funds, determine services to be rendered, operations to be performed, utilization of technology, and overall budgetary matters; determine the methods, means, job classifications, and personnel by which government operations are to be conducted; determine the overall mission of the unit of government; maintain and improve the efficiency and effectiveness of government operations.

The exercise of these rights does not preclude employees or their representatives from consulting about the impacts these decisions have had on wages, hours and other terms and conditions of employment or raising a grievance on those matters pursuant to the grievance procedure.

B. Employee Rights

1. The designated union officers and stewards shall be granted necessary time off to engage in contract disputes during the term of the MOU, and the adjustment of grievances of employees in the bargaining unit, subject to the limitations set forth in this MOU. Except in extraordinary circumstances, these permitted activities performed during the normal employee duty time of such designated and appointed officers and stewards shall fall within one of the following categories:
 - a) Discuss with an employee a grievance or workplace related complaint which may lead to a grievance or contract violation;
 - b) Make inquiries in order to obtain relevant information related to a grievance, including discussions with supervisors, other employees or other management officials provided that such inquiry will not include the right, while on City time, to question

visitors or non-employees of the City;

- c) Assist employees in preparation for, or represent employees in, the appeal and review steps of the grievance procedure or in arbitration;
 - d) Attend meetings with supervisors or other management officials with respect to grievance adjustments, consultation or general discussion directly related to wages, hours or working conditions, and other matters mutually agreed upon;
 - e) Prepare for meetings mutually agreed by the City and the Union to be scheduled for conferral or other purposes.
2. Subject to the initial provisions of this MOU with respect to paid time for such activities, the City agrees that duly designated union officers and other representatives will be allowed to meet with management representatives during normal working hours without loss of pay. The foregoing release from normal working duties is subject, however, to the requirement that when any such designated union officer or representative is representing an employee, he/she will request the permission of his/her immediate supervisor in reasonable advance of any meeting, advising the supervisor of his destination and when he/she expects to return. Such request will be granted by the supervisor unless work processes require the presence of the employee at that time. Upon returning to his/her duty station, the union officer or representative will notify his/her supervisor. Upon arriving at the work place of the employee to be represented, the union officer or representative will normally be permitted to contact the employee. The represented employee also shall be required to request permission for time off in reasonable advance of any meeting. To the maximum extent possible, interviews between representatives and the employees will be held away from other employees and away from the public. If the union official is not permitted to contact the employee at the immediate time of arrival at the work place, the supervisor in charge will advise the union officer or steward the reason why he/she cannot do so and the time when the employee will be available.
3. All union activities shall be conducted in such a manner so as to minimize any disruption to the work activities of the employees involved.

C. Union Representatives

1. The City agrees to recognize and deal with an appropriate number of local union officers, including union stewards, so that each employee in the bargaining unit will have reasonable access to a union representative. The Union may appoint 16 stewards. No Union officer other than the president of the local union, nor any steward, regardless of when selected, shall function as such for purposes of carrying on the union activities, until the Director of Human Resources of the City has been notified in writing by the president of the local union, or by an international union or council officer of his or her selection as an official or steward. Notice of changes in the selection of union officials and stewards, and their alternates, will be given whenever such changes occur.
2. The union endorses the concept of employees utilizing the steward in the employee's assigned work area; provided, that it is recognized that there may be necessary occasions when a different steward or union officer or his/her designee from among the list of authorized representatives provided to the City, shall take over representation of the aggrieved employee. In such cases, the union will promptly notify the department director and the Human Resources Department of the change.
3. The City will provide, with the approval of the Director of Human Resources, reasonable time off to conduct union business.

D. Bulletin Boards

1. Space shall be provided on City bulletin boards at their present locations for union posting of notices and bulletins of the following types:
 - a) Notices of union recreational, social affairs, and related union business news;
 - b) Notices of union elections; provided that this shall not include campaign material;
 - c) Notices of union appointments and results of union elections;

- d) Notices of union meetings;
 - e) Union constitution, by-laws, and proposed amendments thereto;
 - f) Such other notices as may be mutually agreed upon by the union and the Director of Human Resources.
2. All materials posted on bulletin boards shall identify that the Union has posted it and clearly indicate the author's identity, preferably by signature by an official of the Union. It must be clearly understood that such material is not official material or endorsed by the employer, and the material must not contain anything that would identify it as such.
 3. In no case shall obscene or personal attacks on any City employee be placed on any bulletin board. Copies of all information posted on any bulletin board shall be submitted to the Human Resources Director at the time of their posting. In the event objectionable material is posted, the City Human Resources Director will so inform the union representative, stating the basis for the objection, and such material shall be removed from the bulletin board immediately.
 4. The Union shall not post, nor authorize its members to post, any material anywhere upon the City's property except as herein provided. The City may remove or relocate any of its bulletin boards in the event of violations of this section or for reasons such as alterations in the physical facilities, etc., and will inform the union whenever the City removes such bulletin boards.
 5. Excluding lunch and rest periods, in no case will the distribution of literature at the work place of employees be allowed during regular working hours.

5. Non-Discrimination

The provisions of the MOU shall be applied equally to all employees and the City and Union agree that they shall not unlawfully discriminate on any basis that is protected by law.

6. No Strike

- A. The parties to this MOU recognize their mutual responsibility to provide the citizens uninterrupted municipal services. Therefore, for the duration of this MOU and after expiration of this MOU, as long as the parties are attempting to reach an agreement on a successor MOU, the parties agree not to conduct strike, sympathy strike, or lockout activities.
- B. Any employee who participates in any conduct prohibited in Section A shall be subject to discipline.
- C. If the Union sanctions any conduct prohibited in Section A during the term of this MOU or while the parties are attempting to reach a successor agreement, the City may suspend any and all of the rights and privileges accorded the Union.

7. Savings Clause

Should any part of this MOU be rendered or declared illegal or invalid by legislation, decree of court of competent jurisdiction or other established governmental agency, such invalidation shall not affect the remaining portions of this MOU. The parties agree to immediately meet and confer to provide adequate and relevant substitute language if possible.

8. Impasse

Should the possibility of agreement between the representatives of the City and the recognized employee organization be exhausted, the parties will follow the process identified in City Council Resolution 555. Additionally, the Union may request the parties' differences be submitted to a fact finding panel by complying with the provisions of the Meyers-Milias-Brown Act (MMBA).

SECTION II - COMPENSATION

1. Payroll Administration

A. Step Raises

Employees hired or promoted to Step 1 of a pay range shall receive the Step 2 salary at the successful completion of their probationary period. Increases to the Step 3, 4 and 5 levels shall be based on satisfactory job performance by the individual and shall be reviewed at least at the following time intervals:

- Step 3--6 months after the Step 2 increase
- Step 4--1 year after the Step 3 increase

- Step 5--1 year after the Step 4 increase

B. Salary on Promotion

1. When an employee is promoted from employment in one classification to employment in a classification allocated to a higher salary range, they shall advance to the lowest step in such higher salary range that will provide an amount equal to or nearest to a one-step increase in compensation. The one-step increase will be measured by the compensation schedule (base salary to base salary) from which the employee is being promoted.
2. Notwithstanding anything in this section, the City Manager may approve a promotion at a higher step within the schedule.

C. Acting Pay

1. When an employee is assigned on a temporary basis to the duties of a higher compensated position, and such employee assumes the full duties and responsibilities of that position, such employee shall be compensated from the first full day of the appointment at a rate of pay which is equal to 5.5% of his/her base pay.
2. When there is a current eligibility list for a position to which the City wants to assign someone on an acting basis, an employee will be selected for the acting assignment from that list unless employees on the list are offered the assignment decline to take it.
3. The parties agree that to the extent permitted by law, this is special compensation and shall be reported as such pursuant to Title 2 CCR Section 571(a)(3) Temporary Upgrade Pay as special compensation. "New members" as defined under the Public Employees' Pension Reform Act of 2013 will not have the value of acting pay reported as special compensation or pensionable compensation.

D. H-Rating

1. In the event a regular employee is adversely impacted through no fault of his/her own because of organizational and/or involuntary classification changes, the employee's salary shall be H-Rated as follows:

100% of the employee's current salary for one year; and 95% of the employee's current salary for one additional year (unless the salary of the new position is equal to or higher than the employee's H-rated salary), for a total of two years. On a case-by-case basis (e.g., when there is a significant difference between the employee's current salary and new salary), the parties may discuss H-rating over a three-year period.

2. In order to qualify for H-Rating, an employee must have regular status as an employee, and regular status in the position/classification affected. H-Rating shall not apply in instances of employee demotions, reassignments, or reductions in hours, when such actions result from less than satisfactory job performance.

E. Payroll Deductions and Dues

1. The City may deduct the regular dues recognized employee organization. Dues deduction shall be made only on the written authorization of the employee.
2. The recognized employee organization shall comply with the dues deduction requirements of the City.

F. Additional Voluntary Deductions

Members may request through a payroll deduction card signed by the member that such additional amounts as may be requested will be deducted from the member's pay and be paid to the political action committee of the American Federation of State, County and Municipal Employees, otherwise known as "Public Employees Organized to Promote Legislative Equality," or P.E.O.P.L.E., provided that deductions shall stop upon the next pay period following written request of the employee.

2. **Union Dues**

- A. AFSCME will maintain records of employee authorizations for dues deductions. AFSCME will provide the City with information regarding the amount of dues deductions and the list of AFSCME employees who have authorized dues deductions. To the extent required by the California Government Code, the City will rely on the information provided by AFSCME in processing dues deductions for AFSCME members.

- B. To the extent required by the California Government Code, AFSCME agrees to indemnify and hold the City of Pasadena harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Section.

3. Probation

- A. Initial Appointment - Except as provided by administrative regulation, and except as otherwise provided in this paragraph, all employees employed by the City hereunder, as part of the examination process, shall serve an initial probation period of twelve months. Any employee serving an initial probation period may be terminated with or without cause at the discretion of the appointing authority. Probation periods shall be deemed to be part of the examination process. Such initial probation period shall not be extended.
- B. Promotional Appointment – Except as indicated in Section 2.3.C below, employees who are promoted into a classification represented by AFSCME shall serve a six month probationary period of continuous service in the higher classification.
- C. The promotional probationary period shall be twelve months for Public Works Maintenance Worker III, Code Compliance Officer, Senior Code Compliance Officer, Detention Officer, classifications in Pasadena Water and Power assigned to Water Distribution and Construction, and classifications in Pasadena Water and Power Water Operations and Treatment.
- D. Any employee serving a promotional probation period may be returned to his former classification during such probation period if a vacancy exists, but such probation period shall not be extended. Any employee serving a promotional probationary period may request to be returned to his/her former classification. Further, if the employee so requests, said employee shall be returned to his/her last regular classification during the probationary period or as soon as possible, provided that a vacancy exists and there are no other actions pending against the employee.
- E. The City agrees to notify and meet and confer with the Union prior to modifying the probationary period for existing classifications.

4. Salaries

- A. The step plan of compensation rates for AFSCME classifications are identified in Exhibit I.

- B. Effective November 25, 2019, and with the approval of the City Council, unit members will receive a base salary increase of two point five percent (2.5%).
- C. Effective June 22, 2020, unit members will receive a base salary increase of two percent (2.0%).
- D. Effective the pay period that includes July 1, 2021 unit members will receive a base salary increase of one percent (1.0%).
- E. Effective upon City Council approval of the MOU, unit members employed on the date the City Council approves the MOU will receive a one-time lump sum payment of seven hundred and fifty dollars (\$750.00). The parties understand that this payment is not reportable to CalPERS.
- F. Effective upon City Council approval of the MOU, employees in the classifications of Equipment Mechanic I, II, and III, who are employed on the date the City Council approves the MOU, will receive one-time tool allowance of five hundred dollars (\$500.00). The parties understand that this payment is not reportable to CalPERS.

5. Work Schedules/Hours of Work

- A. Unit members work a seven day FLSA work week (168 recurring hours).
- B. Work schedule is defined as an employee's regularly assigned hours of the day and days per week and may include:
 - 1. The 9/80 schedule (four nine hour days per work week and one alternating eight hour day/regular day off). Employees working the 9/80 have a FLSA work week designated as beginning four hours into their alternating regular day off (eight hour day).
 - 2. The 5/40 schedule (five eight hour days per work week). Employees working the 5/40 have a FLSA work week designated as beginning at 12:00 a.m. on Monday through 11:59 p.m. Sunday.
 - 3. The 4/10 schedule (four ten hour days per work week). Employees working the 4/10 have a FLSA work week designated as beginning at 12:00 a.m. on Monday through 11:59 p.m. Sunday.

4. The 3/12 schedule (three twelve hour days per work week and one alternating eight hour day every other week). Employees working the 3/12 schedule have a FLSA work week designated as beginning four hours into their alternating eight hour work day.
- C. Work schedules are considered reasonably permanent and shall not be changed to avoid the payment of overtime. The City may change an employee's designated work schedule (*i.e.*, 9/80, 5/8, 4/10, 3/12) with ten calendar days' notice.
- D. Hours of work are assigned by the department.
1. Hours of work for a 9/80 employee will be assigned by the department. The alternating eight hour day/regular day off must begin and end at the same time each work week.
 2. Hours of work for a 3/12 employee will be assigned by the department. The alternating eight hour day/regular day off must begin and end at the same time each work week.
 3. Hours of work are considered reasonably permanent but may be changed by the department to accommodate providing service to the community. A change in regular work hours that will impact an employee for more than one work week requires a minimum of ten calendar days' notice. The impacts of the change to regular hours of work are subject to the meet and confer process and upon request, the City will meet with AFSCME during the ten calendar day period. The City may implement the schedule change, should the impacts negotiations continue past the ten calendar day notice timeframe.
- E. Employees reporting for work on a normally scheduled work day shall not suffer any loss of regular pay or benefits, when management directs that no field work be undertaken, due to adverse weather or other unforeseen conditions. Provided, however, that if an employee is allowed to leave work early under such conditions at his/her own request, the City shall not be required to pay the employee for hours not spent at work.
- F. Whenever possible, there shall be a minimum of an eight (8) hour break between the regular shifts worked by any employee.

6. Rest/Meal Periods

A. Rest Periods

Every employee shall be provided two 15-minute rest periods per day for each period of not less than three or more than four hours. Employees may leave the job site for a rest period providing that the total time away from the job does not exceed 15 minutes.

1. The time at which such rest periods are taken shall be determined by the department director or his/her designee who will schedule absence from duty so that service to the public is not impaired.
2. Rest periods or coffee breaks may not be combined or added to a meal period, vacation or to other forms of leave.

B. Meal Periods

Employees covered by this Agreement shall be entitled to a meal period of up to 1 hour.

1. Meal periods are unpaid unless an employee is required to work through his/her meal period.
2. The amount of time for a meal period and the procedure for taking a meal period shall be determined by the department director or his/her designee.

7. Clean-Up Time

Fifteen minutes prior to the end of the employee's shift shall be provided for purposes of clean up to those employees whose jobs necessitate such clean up time. Should employees need additional time for clean-up, or time beyond the end of his/her shift, supervisor approval is required in advance to authorize additional time worked.

8. Shift Trading

Employees who work in the Police Department in a 24/7 operation may trade shifts with their colleagues within the same classification subject to the following conditions:

- A. Both employees agree to the shift trade voluntarily.
- B. A supervisor approves the shift trade. Supervisors will not unreasonably deny a trade. However, denials are not subject to being grieved.
- C. Shift trades are limited to twice per month per employee.
- D. The employee whose shift is worked gets credit for the shift. Thus, the employee whose shift was worked will have the time recorded on his/her timesheet by the individual completing the timesheet as time worked on his or her time sheet.
- E. Payback of the traded shift will be the responsibility of the two employees who trade shifts and will not be monitored by the City. Traded shifts should fall in the same calendar year. If an employee leaves the City having not paid back a shift, it shall be the responsibility of the two employees to work out any pay back.
- F. If an employee agrees to trade shifts with another employee and then calls in sick and/or does not work the shift, the employee who agreed to work the shift shall have his/her sick leave (or other accrued leave if sick leave bank is zero) deducted.

9. Shift Differential

- A. A Shift differential shall be paid as follows:

For Swing Shift.....\$1.50 per hour
For Graveyard Shift.....\$1.50 per hour

- B. Shift differential shall be paid for all hours worked on the regularly assigned (“regularly assigned” refers to an employee’s regular work shift that falls on swing or graveyard, not an overtime shift that begins on or runs into swing or graveyard hours) swing or graveyard shift.
- C. For purposes of applying the Shift Differential, the Swing Shift is defined as any shift of six hours or more, regularly scheduled to start between the hours of 3:00 p.m. (2:00 p.m. for 9/80 schedules) and 10:59 p.m. The Graveyard Shift is any shift of six hours or more, regularly scheduled to start between the hours of 11:00 p.m. and 4:59 a.m.

- D. Effective January 6, 2020, the Swing Shift for bargaining unit members in the Police Department will be defined as any shift of four hours or more, regularly scheduled to start between the hours of 3:00 p.m. (2:00 p.m. for 9/80 schedules) and 10:59 p.m. The Graveyard Shift will be defined as any shift of four hours or more, regularly scheduled to start between the hours of 11:00 p.m. and 4:59 a.m. Bargaining unit members in the Police Department will be eligible for the Swing or Graveyard shift differential at the rate of \$1.50 per hour if he/she works four hours or more between the hours of 3:00 p.m. and 5:59 a.m.

Employees in the Police Department who work a minimum of four hours on the swing or graveyard shifts, (which for these employees is between the hours of 3:00 p.m. and 5:59 a.m.) including on an overtime basis, shall receive shift differential for hours worked during this time period. Employees who do not work a minimum of four hours on the swing or graveyard shift shall not be eligible for shift differential, regardless of their regularly assigned shift.

- E. The parties agree that to the extent permitted by law, this is special compensation and shall be reported as such pursuant to Title 2 CCR, Section 571(a)(4) Special Assignment Pay – Shift Differential as special compensation or pursuant to Title 2 CCR, Section 571.1(b)(3) Special Assignment Pay – Shift Differential as pensionable compensation.

10. Overtime

- A. Overtime paid at time and one-half base pay shall apply in the following situations:
1. All authorized hours over 40 regular hours a week. (For overtime purposes, all authorized hours on a paid status - vacation, holiday, sick leave, bereavement, etc. - shall count toward the regular 40-hour week.)
 2. All authorized hours worked on holidays.
 3. Overtime paid at double time base pay shall apply in the following situations:
 - a) Employees who work overtime between midnight and the start of their regular day shift shall be compensated at double time for such hours worked. Provided, however, employees who work two hours or less prior to the start of their regular shift shall not

receive double time.

- b) An employee who works eight hours or more immediately prior to his/her regular work shift will be paid at the double time rate for those hours worked on the regular shift immediately following the shift worked.
 - c) Once an employee works any part of his/her regular shift at the double time rate, such employee shall continue to be compensated at the double time rate for all hours worked until receiving a six hour break.
 - d) If a six hour break occurs during the employee's regular shift, such employee will be compensated at the straight time rate for such hours falling on their regular shift. An employee will not be compensated for breaks occurring outside of his or her regular shift.
- 4. Employees who work a regularly assigned graveyard shift are not entitled to receive overtime pay for those hours worked on the graveyard shift.
 - 5. Overtime shall be divided equally among those persons available for work in the same position at the same location or reporting to the same immediate supervisor. In those instances where there is a demonstrated need for specialized skills and abilities, or in emergency situations, exceptions may be made to this provision.
- B. Overtime shall not be paid in addition to regular time or leave time for the same hours of work (*e.g.*, for work performed on a holiday).

11. Overtime Meals

- A. Call Back - When employees are called from off-duty to return to work the employee shall, if possible to do so, be given meals at intervals of approximately four (4) hours, provided, however, that in no event shall an employee be required to work more than five (5) consecutive hours without a meal. Such meals, and the time necessary therefore, shall be at City expense.

If a regular shift employee is called out for emergency work before 7:00 a.m. on a scheduled work day and continues to work into his/her regular scheduled

work hours and does not have an opportunity to eat breakfast or prepare a lunch before reporting for work, the City shall furnish him/her with such meals if they can be provided. The necessary time taken to eat breakfast shall be provided by the City, the usual practice relating to meal period on work days shall prevail. The City shall reimburse the employee for the cost of such meals only if the actual expense has been incurred.

- B. Scheduled Overtime - When employees are required to perform prearranged work on non-work days during regular work hours, they shall observe the meal period which prevails on their regular work days. When employees are required to perform prearranged work (not as a continuation of the regular work day) on either work or non-work days outside of regular work hours, they shall provide the first meal on the job at their own expense (and the time necessary therefore but not to exceed one-half (1/2) hour shall be taken at City's expense). Any subsequent meals shall be taken at intervals of approximately four (4) work hours but in no event shall an employee be required to work more than five (5) consecutive hours without time off for a meal. Such subsequent meals and the time necessary therefore shall be at City expense.

When employees are required to perform prearranged work two (2) hours or more before regular work hours on a regular work day or a non-work day and continue to work into their regular scheduled work hours, they shall be provided with a meal at City expense and the necessary time to eat it. The City shall reimburse the employees for the cost of such meals only when the actual expense has been incurred.

- C. Shift Extensions - When an employee is required to work two (2) hours or more beyond regular work hours, he/she shall be given the opportunity to secure a meal and the time taken thereof shall be paid by the City. The City shall reimburse employees for the cost of such meals only when actual expense thereof has been incurred. If an employee does not accept a meal at City expense, as provided herein, he/she shall nevertheless be allowed overtime for the time usually taken to eat a meal, not to exceed one-half (1/2) hour.
- D. Meal Reimbursement - Notwithstanding any provision of this subsection, all meals under this Section that are taken at the personal expense of the employee will be reimbursed by the City up to \$17 per meal.

12. Compensatory Time Off

- A. In lieu of receiving payment for overtime, unit members who work in the Police Department may request in advance to accrue compensatory time off at the rate of time and a half of each hour worked, subject to a maximum accrual of 120 hours. The Police Department has the sole discretion to grant the accrual of comp time or to pay the overtime.

Boot Allowance – In January of each year, employees who are required by Management to wear approved safety shoes/boots in carrying out their job duties, shall receive a boot allowance of \$200 per year for the purchase of such boots. If an employee who currently receives the boot allowance transfers to a position in the bargaining unit for which management does not require the wearing of approved safety shoes/boots, the employee shall no longer be eligible to receive the allowance.

10. Tools

- A. Employees assigned to the Public Works Building Safety Fleet Maintenance Division (BSFMD) will be provided hand and power tools and equipment, as needed, to accomplish work assignments. Tool box repair or replacement due to damage caused by employee carelessness shall be the responsibility of the employee.
- D. The parties shall make a reasonable effort to replace tools in a timely manner.

11. Mileage

The City will provide reimbursement to the employee for use of his/her personal vehicle for authorized work-related travel. Such reimbursement shall be equal to the rate allowed for tax deduction by the federal Internal Revenue Service for unreimbursed employee business expenses for the applicable calendar year.

SECTION V - POLICIES & PROCEDURES

1. Discipline

- A. The City may take disciplinary action for proper cause. Disciplinary actions, which shall include only oral and written warnings/reprimand, suspension, demotion and termination, will be consistently applied taking into consideration the nature of the cause, the work history of the employee, and past disciplinary actions taken for similar cause. An employee's work assignment will not be

modified as a substitute for discipline.

- B. Disciplinary procedures will be in accordance with the Manual of Personnel and Administrative Rules, and when suspension, demotion or termination is determined appropriate, the employee will be notified in writing of the facts upon which the allegations are based, the right of appeal and the right of representation. Further, the employee shall be given copies of all materials, if any, upon which the action is based.
- C. The City shall not retaliate against employees for exercising any rights or benefits provided in this Agreement or by State or Federal laws or Municipal code provisions.
- D. Employees who are rejected from probation are not considered to have been disciplined.
- E. The City shall advise the employee of his/her right to be represented by the Union or other representatives of his/her choosing at any meeting or investigatory interview in which disciplinary action is to be imposed or at which disciplinary action might reasonably be expected to be imposed. If the employee elects to have representation present, and none is immediately available, the meeting will be postponed for up to twenty-four (24) hours not including Saturdays, Sundays or holidays, in order to permit the employee to obtain representation.

2. Grievance Procedure

A. Definition

- 1. Grievance - A dispute between an employee or employees and the City regarding an interpretation or application of the Employer-Employee Labor Relations Resolution, or of the rules and regulations governing conditions of employment or this MOU. A grievance can also be filed by an employee regarding the receipt of an oral or written warning/reprimand but cannot be appealed beyond step 2 below.
- 2. Grievant - An employee or AFSCME.

B. Guidelines

1. An employee may file a grievance without jeopardizing the employee's employment.
2. An employee may select one of the following methods of representation. To most effectively utilize the grievance procedure, the method selected should generally be used throughout the processing of the grievance. The employee may:
 - a) Be self-represented
 - b) Be represented by another person
 - c) Be represented by the Union not to exceed two City employees and the Business Representative. An employee may have a representative present at meetings with City representatives during each step of the grievance procedure.
3. Allegations of unlawful discrimination shall be processed through either the Human Resources Department utilizing the Discrimination Complaint Procedure, or the Grievance Procedure. The employee shall select one of these two options at the time of filing the discrimination allegation.
4. Once a grievance is presented and formal notification has been given to the department that the employee will be represented by another person in the grievance proceedings, then that representative shall be governed by this MOU.

The representative shall be entitled to:

 - a) Notification of the time and place of the grievance proceedings and the opportunity to be present at such proceedings.
 - b) A copy of any written decisions or communications to the employee concerning the grievance proceedings.
5. A grievance may be initiated by the employee concerned, or his/her union representative.
6. A general grievance regarding interpretation and implementation of the MOU may be filed by the Union on behalf of employees represented by

that Union. A general grievance shall be filed in writing with the Director of Human Resources within fourteen (14) calendar days of the action in question.

7. An earnest and sincere effort shall be made by all parties to cooperate in the prompt resolution of a grievance in an amicable manner. The time limits may be extended when mutually agreed upon in writing between the appropriate parties. If the employee, or the employee's representative, fails to proceed with the grievance within any of the time limits specified herein, the grievance shall be considered settled on the basis of the last decision rendered. If a supervisor does not proceed within the time limits or does not seek an extension of time, the grievance may proceed to the department director.
8. This is the sole and exclusive method for resolving grievances.

C. Grievance Steps

1. Step 1

- a) The employee shall orally present the grievance to the immediate supervisor within fourteen (14) calendar days following the event or events upon which the grievance is based. If the employee and the immediate supervisor are in the same representation unit, the grievance shall be presented to the next higher level supervisor not included in the unit.
- b) The immediate supervisor shall make whatever investigation deemed necessary and may arrange a meeting with the employee to discuss the grievance and, if possible, resolve it. The supervisor shall give an answer to the employee within fourteen (14) calendar days following the oral presentation of the grievance.
- c) If the employee is not satisfied with the decision of the immediate supervisor, appeal to Step 2 can be made.

2. Step 2

- a) If the employee desires to appeal his/her grievance to Step 2, the

employee shall submit the grievance in writing as indicated above on forms provided to the department head, within seven (7) calendar days following receipt of the immediate supervisor's decision at Step 1.

- b) The written grievance must contain a complete statement of the complaint, the facts upon which it is based, the employee's reasons for the appeal, and the remedy being requested. The grievance form shall be signed and dated by the employee.
- c) The department director and the Director of Human Resources, or their designated representatives, shall attempt to resolve the grievance and shall arrange a meeting with the employee(s) and his/her appropriate representative. A decision, in writing, shall be given to the employee within fourteen (14) calendar days following the receipt of the written appeal or conclusion of the appeal meeting whichever is later.
- d) If the employee is not satisfied with the Step 2 decision, appeal of the grievance to Step 3A or Step 3B for resolution may be made. However, appeals beyond Step 2 for oral or written warnings/reprimands are excluded and the decision at Step 2 shall be final.

3. Step 3-A (Grievance Review Panel)

- a) If the grievance has been properly processed and is not satisfactorily resolved at Step 2 and is a disciplinary action of less than discharge or demotion, the employee or the employer may appeal the grievance to Step 3-A. The appeal shall be in writing, shall be signed by the employee, or by the appropriate representative of the City, and shall be submitted to the other party within fourteen (14) calendar days of the written decision at Step 2.
- b) If the employee is being represented, he/she may be assisted by his/her representative in this appeal.
- c) Within seven (7) calendar days after receiving the notice to appeal a grievance to Step 3-A, a meeting shall be arranged between the employee and the Director of Human Resources, or

their representatives to prepare a joint written statement of issue, or issues, to be presented to the Grievance Review Panel. In the event the parties are unable to agree upon the issue, or issues, the matter will be referred to Step 3-B.

- d) The Grievance Review Panel will convene within fifteen (15) calendar days and will be comprised of three members: an employee selected by Management; an employee selected by the Union; and a chairman drawn from a list of ten (10) persons from within the City of Pasadena workforce, or the Pasadena community. The City and the Union shall each submit the names of five such people. If a chairman is not mutually agreed upon from the list of ten (10) names, then the parties may alternately strike one name from the list (the right to strike the first name to be determined by flipping a coin) until one (1) name remains.
- e) The proceedings shall be as informal as is compatible with a fair and impartial hearing. The chairman need not be bound by the common law or statutory rules of evidence or procedure, but may make inquiry in the matter through oral testimony and records presented at the hearing.
- f) The City will present its position first. The employee, or the employee's representative, will then present his/her case. The City and the employee or the employee's representative will have right to rebuttal and the hearing will then close.
- g) Both parties shall be given an opportunity to call witnesses, and request any relevant records or information reasonably available, as determined by the chairman, to support their case.
- h) The Chairman may require all witnesses to testify under oath or affirmation.
- i) A tape recording shall be made of the hearing.
- j) When the hearing is concluded, the Review Panel shall retire immediately and in closed conference deliberate upon the evidence presented. The members of the Review Panel shall not leave nor adjourn until a decision is reached.

- k) The Chairman of the Review Panel shall present the Panel's recommendations to the City Manager and/or his/her designee. The report of the recommendation shall be made as a Committee of the whole, with no indication of individual votes cast, and no minority report. A copy of the recommendation will be sent to the employee.
- l) The recommendation shall be advisory only, shall not be binding on either party, and shall be limited to the issue, or issues presented.
- m) Within fifteen (15) calendar days following receipt of the advisory opinion, the City Manager and/or his/her designee shall advise the employee by letter whether or not he/she intends to take any further action regarding the issue, or issues, referred to in the Review Panel's advisory opinion. A copy of the Municipal Employee Relations Officer's letter will be sent to the union.

4. Step 3-B (Advisory Arbitration)

- a) If the grievance has been properly processed and is not satisfactorily resolved at Step 2, the employee or the employer may appeal the grievance to Step 3-B. The appeal shall be in writing, shall be signed by the employee, or by the appropriate party within fourteen (14) calendar days of the written decision at Step 2.
- b) If the employee is being represented, the employee may be assisted by a representative in the appeal.
- c) Within seven (7) calendar days after receiving the notice to appeal a grievance to Step 3, a meeting shall be arranged between the employee and the Director of Human Resources, or their representatives to prepare a joint written statement of issue, or issues, to be presented at arbitration. In the event the parties are unable to agree upon the issue, or issues, to be presented at arbitration, each party will prepare its statement of issue, or issues, and jointly submit their statements to the arbitrator. The arbitrator shall, at the beginning of the hearing

referred to below, state his/her opinion as to what the issue, or issues are.

- d) Within seven (7) calendar days following the meeting to prepare the issue(s) statement, the parties shall request that State Mediation and Conciliation Service to submit a list of seven (7) persons qualified to act as arbitrators. Attached to each request shall be the joint statement of the issue, or issues to be presented or separate statements, if applicable.
- e) Within seven (7) calendar days following receipt of the list. The parties shall alternately strike one name from the list of arbitrators (the right to strike the first name to be determined by flipping a coin) until one (1) name remains, and that person shall be the arbitrator.
- f) The arbitrator shall hold a hearing on the issue, or issues submitted. The arbitrator shall not hear witnesses without the presence of both parties. He/she shall render a written opinion within 30 calendar days following the close of the hearing unless the period has been mutually extended in writing. The opinion, which shall be bound by the present MOU shall be advisory only, shall not be binding on either party, and shall be limited to the issue, or issues, presented to the arbitrator. The opinion shall be sent to the City Manager or his/her designee, with a copy to the employee and the Union.
- g) Within thirty (30) calendar days following receipt of the advisory opinion, the City Manager or his/her designee shall advise the employee by letter whether or not he intends to take any further action regarding the issue, or issues, referred to in the arbitrator's advisory opinion. A copy of the City Manager or his/her designee's letter will be sent to the employee and the Union.
- h) Each of the parties involved shall contribute equally to the cost of facilities, fees and expense of the arbitrator, including transcripts required - which shall be determined in advance of the hearing. Each party shall bear its own witness and attorney fees.

3. Layoff

A. Definition

Layoff is defined as any involuntary separation wherein management eliminates a job. Layoff shall occur as a result of lack of work, lack of funds, or elimination of funds (e.g., grant funding).

B. Policy

1. The City will make every effort to accommodate those employees who may be subject to layoff through the process of normal attrition. In the event of the reduction of the work force, existing vacancies shall be used to the maximum extent possible to relocate affected employees, regardless of departmental jurisdiction.
2. Departments which anticipate a possible reduction in staff because of the acquisition of new equipment, change in procedures, or for any other reason, shall notify the Human Resources Department and the affected employee as soon as possible in order that appropriate procedures may be initiated.
3. Layoff shall be made by specific classification. (For example, Civil Engineers, Typist Clerks, and not by classification series.)
4. Within a given class, individuals will be laid off based upon seniority in that classification.
5. The layoff priority of employment categories shall be as follows:
 - a) Temporary or provisional employees.
 - b) Probationary, regular, part-time employees.
 - c) Probationary, regular, full-time employees.
 - d) Permanent, regular, part-time employees.
 - e) Permanent, regular, full-time employees. (For purposes of this policy, employees who work 30 hours per week or more are defined as "full-time".)
6. Employees for whom a layoff appears imminent shall be placed upon a retention list for that class. All vacancies within that class shall be filled

from the retention list prior to using the regular eligible or rehire lists. The conditions applying to this list shall be as follows:

- a) Based upon seniority in their present class, employees will have the right to transfer to any vacant position in the same class within their department.
 - b) If qualified, employees shall have a right to a demotion to another classification in their own department if a vacancy exists.
 - c) If any employees cannot be placed under the provisions of Paragraphs "a" and "b" above, such employees may be considered by other departments as follows:
 - (1) The employee may exercise a displacement (bumping) right to any position within the unit which he/she formerly held on a permanent basis; provided that: the positions are considered in reverse chronological order from last held to first and the employee held the former position during his/her present tour of continuous service.
 - (2) The employee is physically able to perform the required duties.
 - (3) The position is not one of greater supervisory responsibility and is compensated at a rate equal to or less than the employee's present rate.
 - (4) The employee meets the minimum qualifications and physical standards of the position.
 - (5) Departments, other than the one in which the particular layoff occurred, are not obligated to accept the laid-off employee.
7. Employees transferred to a new position in the same class shall receive the same salary step and retain the same anniversary date as in their previous position.
 8. Employees who, in order to avoid being laid off, accept voluntary

demotion shall be compensated in the established salary range of the class into which they transfer at the step nearest to, but not greater than, that received in their former classification. The employee's rate of pay shall be changed at the time that the reassignment is made or new duties and responsibilities are assumed and the employee shall retain the previous employment date for purposes of step advancement.

9. Employees who accept voluntary demotion shall be eligible at any time for reappointment to their previous classification on the basis of seniority when openings occur in the department where the layoff occurred, provided that they are able to perform the duties of the job. Rejection of a reappointment offer shall terminate eligibility for future consideration.
10. Employees who are subject to impending layoff may not be transferred to a vacant position with a higher salary range except through participation in the normal examination and selection procedures, as established by the Human Resources Department.
11. Employees who cannot be placed, and must be laid-off, shall have their names placed on a reemployment list and shall be eligible as follows:
 - a) To compete in promotional examinations for which they are qualified for a period of 24 months.
 - b) To hold reemployment rights for a period of 12 months and be eligible for any vacancies which may occur during this period in the classification held by the employee in the department where the layoff occurred, provided that the employee is able to perform the duties of the job.
 - c) Employees who are laid off will be given the following considerations with regard to their other accumulated benefits:
 - (1) Employees will not continue to accumulate any longevity-based benefit during the period that they are laid off, but will retain any benefits accumulated to the date of layoff. Employee retirement benefits cease at the time of, and will not be paid during a layoff period.

- (2) The employee may remain in a layoff status for a maximum of 24 months. If the employee is recalled during this time, reinstatement will be made and all rights and benefits will be restored as a regular employee from the date of his/her first appointment within the period of the most recent continuous service, with an appropriate adjustment for the time that was not actually worked on the job.
 - (3) The laid-off employee will have the option of receiving payment for any accumulated vacation within the provisions of the respective policies, at any time during the layoff period. Such payments will be made in one sum.
 - (4) Employees who claim payment for accumulated vacation and/or sick leave and are subsequently recalled, will begin re-accumulating the claimed benefit(s) on the date that they report back to work.
 - (5) Laid-off employees who are not recalled within the 24-month period will be completely separated from the City service and will automatically receive payment for any accumulated vacation which has not been previously claimed.
- d) Employees laid-off and given an opportunity to return to a job for which they are qualified shall be allowed a maximum of 14 calendar days after such notification to make themselves available. If an employee refuses such an opportunity to reemployment, the employee will be removed from the reemployment list.
12. Employees who: (a) may be transferred, (b) accept a voluntary demotion, (c) are reemployed by the City, shall meet the job requirements of the class into which they are placed.
 13. Questions on seniority status, which affect retention and are influenced by previous reclassification actions, shall be adjudicated by the Director of Human Resources.

14. The terms and conditions of this layoff policy will not be used as a substitute for disciplinary action against any employee.

C. Procedure

1. Notice: Each affected employee shall receive written notice from the appointing authority, specifying the exact date when layoff is to be effective; and at least two weeks' notice shall be given.
 - a) The commencing date of the reemployment rights of the employee shall start from the effective date of layoff.
2. Recall List: The Human Resources Department will automatically establish a recall list for a period of 24 months.
 - a) All departments where classifications exist which are on the recall list will be notified of the employee's availability.
 - b) Individuals on the recall list will be appointed to vacancies for which they qualify in the department from which they were laid off, so long as any person in that class is on such a list, before any other names on any other eligible lists - promotional or open competitive - are used.

D. Severance

Employees who are laid off will receive severance pay equal to one month of base pay for each year of full-time employment with the City subject to a maximum of six months' pay. Severance payments will be made monthly and will be discontinued should the individual be re-employed by the City.

4. **Promotions**

Promotions shall be determined by qualifications for the job and when qualifications are equal, length of time in continuous employment with the City. Seniority promotional points on all examinations will be eliminated for classifications in the AFSCME representational unit.

5. **Seniority**

Seniority shall be determined by the length of time the employee has been in his/her current classification.

6. City/Department Rules

- A. All employees shall have access to City and departmental rules.
- B. The Department shall make reasonable efforts to keep City/Department rules current and posted. The employee shall make reasonable efforts to keep up to date on current City/Department Rules.
- C. All rules affecting labor relations, including those that are not subject to negotiations, are subject to consultation between the City and Union. The City shall notify the Union of all proposed rule changes. Upon receipt of such notification, the Union shall have five days in which to request a meeting to discuss the rule changes. Every reasonable effort shall be made to have such consultation prior to effecting basic changes in any rule or procedure. Nothing herein shall be construed to limit the right of the Union to meet and confer on mandatory subjects of bargaining.

7. Personnel Records

- A. The City shall maintain one official personnel file for each City employee. The employee or his/her representative authorized in writing shall have the right to review and obtain copies of the contents of the employee's personnel files at reasonable intervals without loss of pay during normal business hours. Access to an employee's records shall be restricted to the employee and his/her representative, the City Personnel Department, the City Attorney's Office, and management supervisory personnel having a business necessity to do so.
- B. No material regarding the employee's performance or conduct shall be included in the employee's personnel file without prior notice to the employee. Employees shall have thirty (30) days to submit a reasonable amount of rebuttal material for permanent attachment to any negative materials entered into their files.
- C. An employee on reviewing his/her personnel file, may request and have any written warnings or reprimands issued more than two (2) years prior removed from his/her personnel file, provided there have been no subsequent disciplinary actions taken against the employee for the same or similar offense.

8. Distribution of MOU

The City shall provide a copy of this MOU to all eligible employees hired into classifications covered by this MOU. The City shall reproduce copies equivalent to the number of employees in the bargaining unit.

9. Contract Services

- A. It is not the intent of the City to cause employees to lose their jobs because of a decision to contract work. However, if a decision is made by the City to contract work not now contracted, and that decision will result in a change in the work status of employees in the AFSCME representational unit, prior to concluding the research and analysis necessary for the implementation of such a decision, the City will meet and confer in good faith concerning the manpower resource considerations involved and receive recommendations from the Union to reduce the impact upon jobs performed by unit employees. All such input and recommendations by the Union will be given consideration before presenting a contracting recommendation to the City Council.
- B. In those instances where bargaining unit work is currently being contracted, and the City proposes to amend such contracts to include additional bargaining unit work not currently contracted, the City and Union agree to meet and confer over any impact that such contract amendments may have on wages, hours, and other terms and conditions of employment.
- C. Further, it is agreed that when existing contracts are presented to the City Council for renewal, the parties may, upon request of the Union, meet and consult over the ongoing impact of such contracts on the bargaining unit. This provision shall not apply to contracts up for automatic renewal.

10. Drug and Alcohol Use

The parties, hereto, agree that the abuse of drugs or alcohol causes health and safety problems in the work environment and that such conduct is likely to result in reduced productivity and liability to the City. Without detracting from the rights and obligations of the parties, the City and Union agree to cooperate in encouraging employees affected with the condition of alcohol or drug abuse to undergo a program directed to the objective of their rehabilitation and to take steps necessary to minimize the impact of substance abuse.

A. Purpose

1. It is the purpose of this policy to eliminate substance abuse and its effects in the workplace, and to ensure that employees are in a condition to perform their duties safely and efficiently, in the interests of their fellow workers and the public as well as themselves.
2. Notwithstanding any provision in this policy, the parties understand that the City may discipline employees based on its investigation of misconduct, either on duty or off duty

B. Policy

1. It is the City's policy that employees shall not be under the influence of or in possession of alcohol or drugs while on City property, at work locations, while on duty, or before reporting for duty; shall not utilize such substances when they have a reasonable expectation of call-in for duty; shall not possess, provide or sell illegal drugs to any other employee or to any person while on duty; nor have their ability to work impaired as a result of the use of alcohol or drugs (whether lawful or unlawful drugs).
2. While use of medically prescribed medications and drugs is not per se a violation of this policy, employees must notify their supervisor, before beginning work, when taking medications or drugs (including the possible effects of taking such medication and drugs) which could foreseeably interfere with the safe and effective performance of duties or operation of equipment. In the event there is a question regarding an employee's ability to safely and effectively perform assigned duties while using such medications or drugs, clearance from a qualified physician may be required.
3. If the City has a reasonable suspicion that an employee may have drugs, alcohol or paraphernalia related to its use on City property, the City may search, without employee consent, all areas and property in which the City maintains control or joint control with the employee, such as desk, file cabinets, City vehicles, etc. Otherwise the City may notify the appropriate law enforcement agency that an employee may have illegal drugs in his or her possession or in an area not jointly or fully controlled by the City, such as lockers assigned exclusively for the employee's

personal use.

4. Employee's reasonably believed to be under the influence of alcohol or drugs may be prevented from engaging in further work and may, for safety purposes, be provided transportation from the work site.
5. The City is committed to providing reasonable opportunity for rehabilitation for those employees whose drug or alcohol problem classifies them as disabled under federal and/or state law. Persons whose use of drugs or alcohol prohibits them from performing the duties of their position, or whose use constitutes a direct threat to property or the safety of others, are not considered disabled under federal or state law. In addition, the parties acknowledge that users of unlawful drugs are also not considered disabled under state or federal law.
6. The City has established a voluntary Employee Assistance Program (EAP) to assist those employees who voluntarily seek help from alcohol or drug problems. Employees should contact their supervisors or the City's Wellness Coordinator in the Human Resources Department for additional information.
7. Employees who voluntarily seek treatment for substance abuse requiring an absence from work may, with department director approval, be allowed to use earned sick leave and/or vacation during such absence. In the absence of any pending disciplinary action, employees may admit to a substance abuse problem without fear of reprisal because of their admission or abuse problem.

C. Application

This policy applies to all employees of and to all applicants for positions with the City of Pasadena. This policy applies to alcohol and to all substances, drugs, or medications, legal or illegal, which could impair an employee's ability to effectively and safely perform the functions of the job.

D. Employee Responsibilities

1. In the interest of safety and individual responsibility, employees should take action they deem appropriate or report the matter to supervision when they have knowledge of objective evidence that other employees

may be under the influence of drugs or alcohol, or engaged in illegal drug related activities that impinge on their employment.

2. For purposes of this policy, the City expects employees to:
 - a) Refrain from the use of, possession of, illegal drugs or narcotics while on duty, or off duty;
 - b) Not report to work while their ability to perform job duties is impaired due to on or off duty alcohol or drug use;
 - c) Not possess or use alcohol or impairing drugs (illegal drugs and prescription drugs without a prescription) during working hours or at any time while on City property;
 - d) Not directly or through a third party sell or provide illegal drugs to any person, including any employee, while either employee or both employees are on duty;
 - e) Submit immediately to a urine, breath or blood test, or other test as deemed appropriate, when ordered by a supervisor or manager who has reasonable suspicion that an employee is impaired or under the influence of drugs or alcohol while on the job;
 - f) Notify their supervisor, before beginning work, when having consumed alcohol or when taking any medications or drugs, prescription or non-prescription, which may interfere with the safe and effective performance of duties or operation of equipment; and
 - g) Provide within 24 hours of request bona fide verification of a current valid prescription for any potentially impairing drug or medication identified when a drug screen/test is positive. The prescription must be in the employee's name.
 - h) Employees who believe they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance from the Employee Assistance Program or other resources available in the community.

E. Management Responsibilities and Guidelines

1. Managers and supervisors are responsible for reasonable enforcement of this policy, and for the administration of discipline as deemed appropriate, consistent with the Discipline section.
2. Managers and supervisors may request and, if necessary, subsequently order that an employee submit to a drug and/or alcohol test when a manager or supervisor has a reasonable suspicion that an employee is intoxicated or under the influence of drugs or alcohol while on the job. "Reasonable suspicion" is a belief based on objective fact sufficient to lead a reasonably prudent person to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform their job safely is reduced. In addition, reasonable suspicion may be based on:
 - a) Possession of alcohol or drugs; or
 - b) Information obtained from a reliable person with personal knowledge. The supervisor shall make reasonable attempts to verify or corroborate such information prior to requesting or ordering an employee to submit to a drug test.
3. If the manager or supervisor reasonably believes that an employee is under the influence, the employee shall be advised of their right to representation. Upon the employee's request for representation, any interrogation or testing shall cease until representation is present, unless representation is not immediately available.
4. Any manager or supervisor requesting or ordering an employee to submit to a drug and/or alcohol test shall document in writing the facts constituting reasonable suspicion that the employee in question is intoxicated or under the influence of drugs. The manager or supervisor shall seek confirmation of their "reasonable suspicion" determination through another supervisory management employee. When possible, the supervisor shall seek the opinion of a person such as a police officer who is trained to recognize persons under the influence prior to ordering an employee to submit to a drug test.

5. Any manager or supervisor encountering an employee who refuses an order to submit to a drug and/or alcohol analysis shall remind the employee that failure to comply is insubordination, constitutes a positive test and the consequences that flow from such a test and may result in disciplinary action. Where there is reasonable suspicion that the employee is under the influence of or impairment by alcohol or drugs, the manager or supervisor shall, for safety purposes, provide the employee transportation from the work site to the facility to be tested.
6. Managers and supervisors shall not physically search the person of employees, nor shall they search the personal possessions of employees without the consent of the employee.
7. The City reserves the right to notify the appropriate law enforcement agency when they have reasonable suspicion to believe that an employee may have illegal drugs in their possession, or when the supervisor is unable to reasonably control a situation where the employee poses a potential liability to themselves or others.

F. Physical Examination and Procedure

The urine, breath, blood, or other appropriate test may test for any substances which could impair an employee's ability to effectively and safely perform the functions of their job, including, but not limited to, prescription medications, alcohol, heroin, cocaine, morphine and its derivatives, PCP, methadone, barbiturates, amphetamines, marijuana and other cannabinoids. Any positive drug test shall be confirmed by a reliable test. The confirming test must be at the same or better level of accuracy as a Gas Chromatography/Mass Spectrometry (GC/MS) test. Employees who are being tested shall have the right to request a sample split for analysis by an independent laboratory.

G. During Employment Alcohol/Drug Tests

1. A positive result with confirmation from a drug and/or alcohol analysis may result in disciplinary action, up to and including discharge. However, consideration may be given to postpone, reduce or cancel pending disciplinary action when an employee voluntarily obtains treatment for a substance abuse problem.

2. If the drug screen is positive, the employee must provide within 24 hours of request bona fide verification of a valid current prescription for the drug identified in the drug screen. The prescription must be in the employee's name. If the employee does not provide acceptable verification of a valid prescription, or if the prescription is not in the employee's name, or if the employee has not previously notified their supervisor, the employee will be subject to disciplinary action up to, and including, discharge.
3. If an alcohol or drug test is positive for alcohol or drugs, the City shall immediately conduct an investigation to gather all facts. Any decision to discipline or discharge will be made at the earliest possible time and shall be carried out in conformance with applicable discipline procedures.

H. Confidentiality

Laboratory reports or test results shall not appear in an employee's general personnel folder. Information of this nature will be contained in a separate confidential medical folder that will be securely kept under the control of the Director of Human Resources. Disclosures, without patient consent, may also occur when: (1) the information is compelled by law or by judicial or administrative process; (2) the information has been placed at issue in a formal dispute between the employer and employee; (3) the information is to be used in administering an employee benefit plan; (4) the information is needed by medical personnel for the diagnosis or treatment of the patient who is unable to authorize disclosure.

11. Safety Responsibility

The parties, hereto, agree that a successful health and safety program depends on a cooperative effort among the parties, and the active participation in and support of safe working practices. In recognition of these shared responsibilities, the parties hereto agree to assume active roles in maintaining a viable safety and health program; cooperate in promoting safety; and encourage fellow workers to observe safety rules while performing their duties.

12. No Smoking Policy

Employees will observe the No Smoking Policy as adopted by the City.

13. Transportation Demand Management Program (PrideShare)

Unit members must participate in the PrideShare program as identified in the City's Personnel Manual of Policies and Procedures. Solo drivers are required to pay \$35 per month (\$17.50 per pay period). Non-Solo drivers have benefits provided per the policy.

14. Child Care Subsidy Program

Employees holding classifications represented by the American Federation of State, County and Municipal Employees are eligible to participate in the Child Care Subsidy Program subject to the guidelines and parameters established by the City. Subsequent changes, if any, to the Program and/or benefit levels may be made at the discretion of the City, following notice and the opportunity to meet and confer being provided to the Union.

15. Light Duty - Police Department

- A. At the discretion of the Police Department, a limited number of temporary light duty positions may be identified for persons holding the classification title of Jailor. Light duty assignments may occur outside the Jail Section. Approved light duty assignments may require a change of work hours and/or days off.
- B. Employees injured on duty may be assigned light duty positions by the Police Department. Employees injured off duty may request assignments to light duty positions. Requests involving off duty injury may be approved by the Department, in its discretion.
- C. Light duty assignments shall be limited to sixty (60) calendar days. No employee shall be assigned to light duty when the initial medical evaluation indicates that the employee shall be off duty for more than sixty (60) days. Short term extensions of light duty assignments may be approved by the Police Department when a medical evaluation indicates that an employee's return is imminent at the end of the sixty day period. A woman disabled by pregnancy may be entitled to light duty.
- D. This provision shall apply only to Jailors in the Police Department.

16. Class B Driver's License – Public Works Maintenance Worker III

- A. The parties recognize that as a condition of continued employment, all Public Works Maintenance Worker III's must possess and maintain a valid Class B California Driver's License. The parties further agree as follows:
 - 1. It is not the intent of the City for employees to have to assume new

duties and responsibilities, as a result of the Class B license requirement. However, the City reserves its right to assign work as needed, and to add new duties, subject to its obligation to meet and confer over any negotiable impact that such decisions may have;

2. The cost of obtaining a Class B license, as well as the cost of subsequent renewals, will be borne by the employee's department;
3. The City will continue to provide training for employees prior to testing for the Class B license;
4. Probationary employees will have six (6) months from their date of hire to obtain the Class B license. Any permanent employee who holds the classification title of Public Works Maintenance Worker III as of the date of this agreement, and who does not currently possess a Class B license, will have six months from the date of this agreement to obtain one, provided that the City first affords the employee the necessary in-house training;
5. If a Maintenance Worker III who was employed as of July 3, 2006, in a position that requires a Class B license provides verification of a medical condition which prevents him/her from obtaining a Class B license, he/she will not be required to obtain one as a condition of continued employment. The City reserves the right to require an employee to undergo a Department of Motor Vehicles physical examination, to confirm that he/she is medically precluded from obtaining a Class B license. Such examinations shall be at the City's expense.

Notwithstanding the above paragraph, if a Maintenance Worker III employed in such a position as of July 3, 2006, obtained a Class B license, the employee must continue to possess the license as a condition of employment; provided, however, if the employee becomes medically precluded from obtaining a Class B license, the City will provide the employee with all of his/her rights under the ADA prior to taking any adverse employment action.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this MOU on November 25, 2019.
