Subject: Design Commission -

Dear Mayor Tornek,

I would like to inform you that I am resigning from my position on the Design Commission Board. Tuesday, January 22, 2019 will be my last commission meeting. I have already shared this information with Leon and his staff along with my fellow commissioners.

Thank you for the great opportunity to serve my community. I have really enjoyed my time working with the people at the City of Pasadena. I have also enjoyed our few short conversations along the way.

Thank you Mayor!

Sincerely,

Yong Yoo
