Thank you Lola. I had emailed Jacques and Tony letting them know that I was resigning form the commission, this was a couple of months ago. Looks like they may have not received it. In any event, I will not be able to remain on the commission.

Thank you.

Hector

Hector,

I am happy for you but sad for us. Will you continue on the Human Services Commission until your term expires in June, 2019?

Best,

Dear Hub Network partners,

It is with very mixed emotions that I send this email to you.

After 7 ½ incredible years at the helm of Families Forward, my time has come to make a professional transition. I have accepted an offer with a national non-profit and my last day will be Friday, March 29.

I would have definitely preferred to inform you in-person and would very much welcome a conversation with you.

While the Board embarks on the search for the next ED, they have hired an interim Executive Director, Elva Sandoval, and she will begin on April 1, 2019. Elva is very familiar with us, having worked 2 stints as a development consultant during team transitions. She has a wealth of experience in the non-profit sector, having been an Executive Director and a Development executive. <https://www.linkedin.com/in/elva-d-sandoval-a6b5105/>. Elva will seamlessly join the group in the Hub Network planning.

On a personal note, I can't thank you enough for your incredible support throughout my tenure! You are all awesome and I will miss you working with you.

Please let me know if you have any immediate questions.

Respectfully,

Hector
