Jana,

I regret to inform you, that I need to resign my position as the Historic Highlands representative, to the Historic Preservation Committee, by/effective April 01, 2019. This has arisen due to a conflict with my work/clients, and the City required Financial Disclosure Filing, which is due on April 02.

I have appreciated being able to serve in this position, and it is with regret, that I leave. I have informed the Historic Highlands Board, that I would be more than happy to assist in a purely advisory/unofficial capacity, until they are able to fill the position. Can you advise on this, insofar as what the city's position would be.

Please let me know if you have any questions, or require further information, or documentation, from me.

Regards,

Marc
