Subject: Senior Commission

Hello Gene,

Happy New Year!

This e-mail serves as confirmation of my resignation from the Senior Commission. A more formal letter will follow.

I have had the privilege to serve the City for four years, 2 years as Chair of the Commission. I believe during my time...some great accomplishments unfolded and the foundation for future accomplishments were set. It is with pride that I move on to other ways to be helpful to the city I love.

Thank you for allowing me to serve the great citizens of Pasadena.

Thank You,

Priscilla Hernandez
