Comments:

The Playhouse Village Association expresses its appreciation for the tireless work by City staff and others to implement in-street dining areas along Colorado Boulevard in Playhouse Village. Already these dining areas have transformed the heart of Playhouse Village, becoming a more vibrant place with enhanced economic and pedestrian activity. We look forward to further refinements to the installations and continuing to support our restaurants and other merchants to regain their economic footing. Thank you to City Council for your support in this effort.

Consent given to read my comments out loud: Yes
