Subject: Stepping off of Parks and Rec Commission

Hello Everyone,

I hope you all are healthy (both physically and mentally). I'm writing to share that I recently purchased a house in Altadena. I'm incredibly excited to be moving into such a great neighborhood (Kenny are we going to be neighbors?), but it also means that I will no longer be able to serve on the Commission since I will no longer be a Pasadena resident.

I was wondering if you all might direct me towards which steps I need to take?

I'm asking Treasure, Kenny, and Brenda whether or not I can continue to serve on the Recreation and Parks Foundation, even if I'm not a Commissioner and just stay on as a local community member? I wasn't sure if there is something in those by-laws that requires only Pasadena residents to serve on that one? (Or if you even want me to stay on it.)

Also, I want to say that I have really enjoyed serving on the commission and the Hahamonga Advisory Committee. Working with each of you has been a pleasure! You all bring such passion and commitment to the community in your work.

Thank you so much for the last 3 years!

Keep in touch,
Jen
