Honorable Councilmembers,

Pasadena's housekeepers, cooks and dishwashers built our city's hotel industry through their backbreaking work, and now these low-wage workers are among the hardest hit by the COVID-19 crisis. Glendale, Los Angeles County and Long Beach have done the right thing and passed common sense policies that will ensure hotel workers a right to return to their same jobs as business returns. Please support a similar worker recall and retention law to ensure Pasadena hotel workers have the same protection.

Honorable Councilmembers,

After 9/11, the City of Santa Monica passed a right of recall policy to ensure that hotel workers displaced by the economic impact of 9/11 would return to work. Glendale, the City of Long Beach, and the County of Los Angeles recently passed similar policies to deal with the economic insecurity wrought by the COVID-19 pandemic. Please support a similar law here in Pasadena.

Honorable Councilmembers,

Dear Honorable Councilmembers,

Understanding that COVID-19 has affected individuals in various ways, I urge you to support the Worker Retention and Recall Ordinance for individuals whose work was impacted, but who are still prepared and qualified to return to their places of work when the time comes. Given the recent passing of this ordinance in nearby communities and the invaluable work of the individuals who this impacts, I feel compelled to urge you to support it.

Sincerely,

Megan
