Re: Request to Amend Master Street Tree Plan for Walnut Street

Greystar, as the property management company for the Avila Apartments located at 75 W Walnut Street, is submitting this letter in support of the request to amend the City of Pasadena's Master Street Tree Plan that would replace the designated tree species along Walnut Street between W Corson St and S Fair Oaks Avenue from Bradford Pear, *Pyrus calleryna*, tree, to Crepe Myrtle tree, *Lagerstroemia indica*, tree. Greystar was contacted by EPT Design, as the representative for the 100 W Walnut (Parsons) project, who initiated this request with the City. The Avilla Apartments are lease-only units, and pursuant to the City's Procedure to Process Amendments to the Master Street Tree Plan, Greystar is voting to support this amendment on behalf of its residents.

Sincerely,

Ruben Luquin | Assistant Community Manager
