MESSAGE

Pasadena has closed pet groom down as a "non essential" activity. Pet grooming is essential. Knots that form on long haired canines and felines pull at the skin. if left too long. a vet must sedate to remove them.
Hot weather requires shave-downs so dogs do not overheat. This is especially bad for neglected rescue animals. and pets whose owners are incapable of bathing and grooming. City Monrovia is open and backlogged. Petco. included.
Please reconsider on the basis of humane. animal welfare.
