Subject: Slattery- Resignation from NW Commissioner

Dear Councilman Kennedy, Chair Boykin and Ms. Osborne-

It is with mixed emotion that I submit my resignation as commissioner from the NW Commission.

I know how important it is to be available for the monthly meetings. My new job requires me to travel and it will be better if you can find a representative who has a more stable attendance record.

I appreciate all that you are doing to advocate for NW Pasadena. We need it!

Best regards,
Jura
