Public Comment for Meeting on March 22, 2021 about Agenda Item 13

Comments:

On December 29, 2020 a homeless Hispanic murdered an 80 year old Asian woman in broad daylight on the streets of Pasadena and attempted to murder her elderly Asian husband. Why didn't you issue your Resolution regarding Xenophobia and Racism then? Or do you only issue Resolutions regarding xenophobia and racism when you can fraudulently blame it on White people instead of homeless Hispanics (there is no evidence the shootings in Atlanta had a racial motive).

FBI statistics show that Blacks commit more hate crimes against Asians than any other race and commit almost all of the interracial violent crime in the USA, What are you doing to root out and eliminate this?

Consent given to read my comments out loud: Yes
