ZENT2020-10015

Dear Ms. Rachlin:

Your application for a **Hillside Development Permit** at **801 South San Rafael Avenue** was considered by the **Board of Zoning Appeals** on **March 18, 2021**.

HILLSIDE DEVELOPMENT PERMIT: To allow the construction of two, new 600 square-foot detached accessory structures and the conversion of a playroom that is currently attached to the main house by a breezeway into a 262 square-foot detached accessory structure.

At the conclusion of the public hearing, and with full knowledge of the property and vicinity, the Board of Zoning Appeals determined that the project was not exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15303, Class 3, New Construction or Conversion of Small Structures and §15301, Class 1, Existing Facilities). Specifically, it was determined that the scope of the entire project, including all of its phases, and the historical status of the residence, were not fully evaluated.

A motion was made to grant the appeal and overturn the Hearing Officer's decision and **disapprove** the **Hillside Development Permit** that resulted in a 3-1 vote by the members present. As a result, action was taken to disapprove Hillside Development Permit #6837.

You are hereby notified that, pursuant to Pasadena Municipal Code Chapter 17.72, any person affected or aggrieved by the decision of the Board of Zoning Appeals has the right to appeal this decision. In addition, a member of the City Council may stay the decision and request that it be called for review to the City Council.
