Frank B. Clark, Chair  
Pasadena Human Services Commission

Dear Frank,

This letter is to confirm my resignation from the Pasadena Human Services Commission. I do so with some reluctance, given the persistent and continuing need for effective human service programs in Pasadena, and the important work that the Commission faces in the future. However, personally and professionally, it is time for me to move on. I am very proud of the work we were able to accomplish during my terms of service as a Commissioner, and am very confident that under your very capable and committed leadership, the citizens of Pasadena will continue to be well served.

Please give my best personal regards to Vice Chair Elaine Kramer, the other Commission members, and to City staff. I feel very fortunate to have worked with so many committed and talented people over the last five years. I look forward to new opportunities to work, in some manner, with all of you in the future.

Best,

Julie Fox Blackshaw
