The Honorable Joyce Streater
Vice Mayor of the City of Pasadena
100 North Garfield Avenue
Post Office Box 7115
Pasadena, California 91109-7215

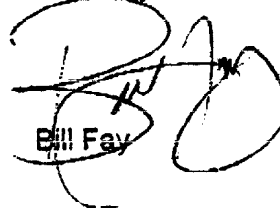

Dear Vice Mayor Streater:

Please accept my resignation from the Pasadena Planning Commission. Due to increasing family and work commitments, which have hindered my participation of late, I must withdraw my association from the Commission.

Being a member on the commission for the past five and one-half years has been very gratifying. The experience of being members of both Planning and Design Commissions, deliberating on scale/mass, exterior countenance and land use planning issues, has been rewarding. I believe that the work of both commissions are vital to the continued excellence of our city. The dedication of the other commission members, both staffs of Advance Planning and Design & Historic Preservation and the community members have been commendable. Their efforts are, in part, is what drives this city to its world class status.

Thank you for your support and confidence. Serving as the representative from District 1 has been an honor and a pleasure. Perhaps, sometime in the future, I can again be of service.

Sincerely,

Bill Fay

Dist. 1
