

# Agenda Report

October 20, 1997

TO:

CITY COUNCIL

FROM:

THE ROSE BOWL OPERATING COMPANY AND THE

**CITY MANAGER** 

SUBJECT:

RESOLUTION ASSIGNING CONTROL OF PREEXISTING

CONTRACTS OF THE CITY OF PASADENA TO THE

ROSE BOWL OPERATING COMPANY.

#### **RECOMMENDATION:**

It is recommended that the City Council adopt a resolution authorizing the reassignment of all rights and duties associated with preexisting City of Past idenation partials to the Rose Bowl Operating Company that affect or relate to the RBOC Area, activity in the RBOC Area, parking in or related to the RBOC Area, or management of the RBOC Area as required by the Operating Agreement between the City of Pasadena and the RBOC.

#### **BACKGROUND:**

The RBOC has initiated the process of reassigning preexisting, Rose Bowl related, City contracts to RBOC control. The Operating Agreement between the City of Pasadena and the RBOC (Section 5.6.2-Allocation of Duties) states: "City and RBOC shall develop a schedule of preexisting contracts as specified herein. Said schedule shall be adopted by formal resolution of City and of RBOC and shall be appended to the Agreement as Exhibit C. The schedule shall specify the following: City contract number, contracting parties, term of Contract, a statement of the subject matter, and a designation of which parts, if any, of any of said Preexisting Contracts are to be assigned to RBOC and which parts, if any, of any said Preexisting Contracts are to remain with the City."

## Page 2 RBOC AGENDA REPORT

The purpose of assigning the contracts to the RBOC is to provide for more comprehensive contract administration. The RBOC and its staff will be working with the contractors listed in Exhibit C on a day to day basis and therefore are in a better position to provide the contract oversight. Also, if the RBOC elects to purchase its own insurance, the assignment of the contracts will provide insulation of the City's self insured programs in the event there is any litigation arising out of the contracts.

### **FISCAL IMPACT:**

None.
