FROM: CITY MANAGER

SUBJECT: CONTRACT AMENDMENT FOR CROSSING GUARD SERVICES WITH THE PASADENA UNIFIED SCHOOL DISTRICT

RECOMMENDATION:

It is recommended that the City Council authorize an amendment to contract no. 16769 with the Pasadena Unified School District for crossing guard services to extend hereafter. The amount of the contract will be determined by City Council during the annual budget approval process.

BACKGROUND:

On August 24, 1998 the City Council approved a contract with the Pasadena Unified School District (PUSD) to provide crossing guard services at PUSD schools. Council appropriated \$112,694 for crossing guard services during the fiscal year of 1999. Prior to this agreement crossing guard services were managed by the Pasadena Police Department.

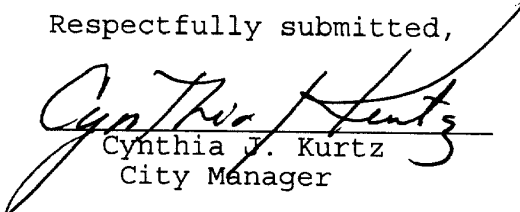

The contract approved by PUSD Board and City Council in 1998 was a one-year contract. PUSD Board has approved an amendment to the previously approved contract that extends reimbursement for managing crossing guard services indefinitely and allows the City Council to appropriate the amount of the contract bi-annually in line with the budget approval process.
