The Honorable Bill Bogaard
Mayor of the City of Pasadena
100 North Garfield Avenue
P.O. Box 7115
Pasadena, CA 91109-7215

Dear Mayor Bogaard,

Please accept my resignation from the Pasadena Planning Commission. Due to potential conflict of interest questions perceived by my employer, the U.S. Department of Housing and Urban Development, I must regretfully withdraw my participation from this body.

My work on the Commission for the past three and one-half years has been very rewarding. I have had the chance to discuss, deliberate and craft solutions and recommendations for a range of issues. I have seen the public process function in our City, and witnessed concerned and serious dialogue among community members, staff and decision-makers. It has been a great pleasure working with all the members of the commission, past and present, and the talented city personnel, especially the members of the Planning and Permitting Department. I will miss my involvement with the Commission and its efforts to enhance our surrounding environment, most especially the important upcoming steps involved with updating the General Plan and Zoning Code.

Thank you for your confidence and for your support. Serving as a Mayor's representative on the Commission under three Mayors has been a wonderful experience. I hope that I can be of continued service to the City in other matters. I look forward to working with you in the future.

Sincerely,

Ciran M. Hadjian
