Mayor

Dear Bill,

You will recall my mentioning a desire to be replaced as a member of the Old Pasadena Parking Meter Advisory Commission some months ago. In June of this year I became seventy, and my wife and I plan to take off on short notice whenever the mood strikes us. In addition, I find that I am arriving at the office later and leaving earlier. In short, I would like to be relieved of my advisory commission responsibilities as soon as possible, certainly no later than the end of the calendar year.

Thank you for what appears to me as a fine job that you are doing representing Pasadena. With the present council membership and yourself as mayor, Pasadena seems to be on a roll. Incidentally, I do believe that the Paseo Colorado plan will be a winner for everyone. Best wishes for continued success.

Sincerely,

Bob
