Dear Sid & Council Members,  
We are concerned  
neighbors who live on  
San Pasqual because of the  
proposed sub-division at 1465  
San Pasqual. We are  
concerned about the historic  
preservation of our  
neighborhood and density -  
more specifically that  
developers continue to alter  
large parcels of land by  
chopping them down to  
small lots, flag lots.

Please call us prior to  
the Mon. Sept 14 City  
Council meeting to  
discuss our position.

1465 San Pasqual  
is the second property on  
the street that has been  
sub-divided this year.

According to State mandate  
& city code this is acceptable,  
as long as requirements are  
met.

We, and most of our  
neighbors, are against this development  
of any of its kind. We look  
forward to speaking to you.

Sincerely,

Cecil Anawalt 793-~~3444~~<sup>5731</sup>
