**RE: Conditional Use Permit # 3582
500 North Fair Oaks Avenue**

Dear Mr. Hidalgo:

Your application for a **Conditional Use Permit** at **500 North Fair Oaks Avenue**, Zone IG-VR, was considered by the **Board of Zoning Appeals** on **August 18, 1999**. This was an application requesting the following:

CONDITIONAL USE PERMIT - (Extended Hours of Operation): Tom Murray has filed an appeal of a conditional use permit application for extended hours of operation for the La Estrella take-out restaurant. The applicant, David Hidalgo Architects, proposed to be open Sunday through Thursday from 7 a.m. until 2 a.m. and on Friday and Saturday from 7 a.m. until 4 a.m. The Pasadena Zoning Code requires a conditional use permit for hours of operation within the IG zoning district when the proposed hours are before 7 a.m. or after 10 p.m. (PMC Section 17.00.000).

After careful consideration of this application, and with full knowledge of the property and vicinity, the Board of Zoning Appeals made the findings as shown on Attachment A to this letter.

Based upon the findings, the Board of Zoning Appeals decided to **overrule** the decision of the Zoning Hearing Officer and **deny** the application.

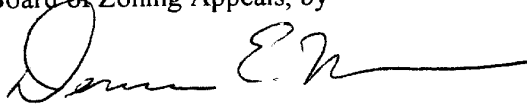

You are hereby notified that the decision of the Board of Zoning Appeals is not subject to further appeal. This decision becomes effective on the eleventh day from the date of the decision. The effective date for this case is **August 31, 1999**. However, prior to the effective date, a member of the City Council may stay the decision and request that it be called for review to the City Council.
