## Construction & Demolition Waste Monthly/Final Report Totals

Project Address: \_\_\_\_\_ Date: \_\_\_\_\_

On the table below, please provide the actual quantities for each type of material, recycled or landfilled. Recycled means materials were recycled on or off site, reused, or salvaged. **Weight tickets or receipts must be submitted in conjunction with this report to verify the information summarized below. In some instances, photo verification may be required when materials are reused on or off site.**

<b>Material Type</b> (check all that apply)	<b>Recycled</b> (= or > 50%) <hr/> Amount (in tons)	<b>Landfilled</b> (= or < 50%) <hr/> Amount (in tons)	<b>Hauler(s)</b> (list all haulers used—hauler(s) listed should match information indicated on initial C&D application)	<b>Destination Facility(ties)</b> (list all facilities that accepted debris--facility(ties) listed should match information indicated on initial C&D application)	<b>Documentation                      Received</b> (This column to be completed by staff)
<input type="checkbox"/> Wood					
<input type="checkbox"/> Concrete					
<input type="checkbox"/> Metal					
<input type="checkbox"/> Drywall					
<input type="checkbox"/> Cardboard					
<input type="checkbox"/> Other _____					
<input type="checkbox"/> Other _____					
<b>Totals (Tons):</b>					

Total Waste (Recycled + Landfilled) _____ tons	Total percentage of materials recycled _____% (percent recycled=tons recycled/total tons of waste)
