

# NOTICE OF CONSTRUCTION

**Project Start Date: April 9, 2007**  
**Scheduled Completion Date: August 31, 2007**

## **Improvement of Avenue 64 from Colorado Boulevard to the South City Limits and La Loma Road from Avenue 64 to Laguna Road In the City of Pasadena**

The City of Pasadena's Contractor, Kalban, Inc., will commence the street improvement work on Avenue 64 on the date indicated. The work will start at the north end of Avenue 64 on the west side of the street in a southerly direction and at the south end of the project, continue in the reverse direction along the east side of the street. The construction on La Loma Road will commence as the work proceed in the northerly direction on Avenue 64.

The improvement work includes:

- Removal and reconstruction of various localized concrete improvements, such as, pavement, curb, gutters, sidewalk, and driveway aprons;
- Repair sections of damaged sewer mainline pipe in Avenue 64;
- Reconstruction of the street intersection at Avenue 64 and La Loma Road;
- Construction of wheelchair ramps;
- Installation of subgrade drainage system in Avenue 64;
- Construction of new concrete gutter along Avenue 64;
- Pavement overlay with rubberized asphalt pavement;
- Adjustment of various utility manholes and valve frame and covers; and
- Installation of traffic striping and loop detectors.

During the concrete construction phase of this project, some driveway access on Avenue 64 and La Loma Road may be closed for three to four days in order for the newly poured concrete to cure. The City will provide overnight on-street parking passes, if needed.

During the reconstruction work at the intersection of Avenue 64 and La Loma Road, sections of the roadway will be temporarily closed restricting some access through the intersection. We will do our best to minimize any disruption caused by the construction, please follow any directional detour signs that will be posted through the construction zone. A City Inspector will be present on the job site most of the time and will be happy to answer your questions or provide assistance if needed.

If you cannot locate an inspector, contact the Public Works Department at (626) 744-4720 between the hours of 7:00 a.m. to 5:00 p.m. In case of an after hours emergency, call Emergency Services at (626) 744-4241. Your patience as we proceed with this project is greatly appreciated. Thank-you in advance for your support.
