## AB 2176 Requires Event Waste Reduction and Recycling:

On July 1, 2005 AB 2176, Large Venue and Large Event Recycling, became law. This legislation requires that operators of such venues or events meet with their selected waste hauler to determine a recycling program appropriate for the venue or event.

The City of Pasadena has prepared information regarding AB 2176 to be handed out to applicants for large events at the permit counters. Please be prepared to assist your customers in complying with this regulation.

## Outstanding Recyclers:

On November 7, 2005, the City of Pasadena will present Outstanding Recycler Awards to businesses and individuals who have developed outstanding waste diversion programs.

Do you, as a hauler, make note of any of your customers that do an outstanding job of recycling or reducing waste? If so, let us know and we will provide an application to the individual/company for consideration as an Outstanding Recycler. If your applicant is chosen, your company will receive acknowledgment and a certificate of appreciation. The deadline to apply is 9-1-05.

Applications are available by calling 626-744-4721 or by emailing [recycle@cityofpasadena.net](mailto:recycle@cityofpasadena.net)
