Riding & Safety Tips

- Get to your stop 5-10 minutes early. We do our best to run on schedule.
- Wait on the sidewalk by the bus stop sign, away from the curb.
- Signal the bus operator to stop for you by waving at the bus as it approaches the stop.
- Make sure you are getting on the correct bus by looking at the sign above the front window. Check the line number and the destination before boarding.
- Have your fare ready. Our fareboxes accept coins and dollar bills but do not make change. Show your pass or reduced fare ID card to the driver.
- Use handrails when boarding and when walking to your seat.
- Our drivers will gladly give information. Avoid unnecessary conversation so they may concentrate on driving safely during the trip.
- Seniors and passengers with disabilities have priority for the front seats.
- Fold strollers and carts before entering the bus and place them next to you out of the aisle. Keep babies and small children on your lap.
- Remain seated while the bus is in motion.
- Service animals are allowed to accompany persons with disabilities.
- The law forbids smoking, eating or drinking while on board the bus.
- We will not tolerate acts or comments that could be perceived as threatening to another passenger or the bus driver. Our employees have been trained to call for police assistance if they deem it necessary.
- Use the rear door when exiting. Wait for the bus to leave before crossing the street. NEVER cross in front of the bus, as other vehicles cannot see you!
