

TABLE OF CONTENTS

	PAGE
1. INTRODUCTION	1
2. PURPOSE OF THE MOBILITY ELEMENT	3
2.1 Land Use and Mobility Plan	3
2.2 Scope and Content of the Mobility Element	4
2.3 Relationship to Other General Plan Elements	4
2.4 Transportation Achievements Since the 1994 General Plan	5
2.5 Related Transportation Plans and Programs	7
2.6 State Requirements	7
2.7 Public Outreach	8
3. ISSUES, OBJECTIVES & POLICIES	11
3.1 Issues	11
3.2 Objectives & Policies	12
3.2.1 Promote A Livable and Economically Strong Community	12
3.2.2 Encourage Non-Auto Travel	16
3.2.3 Protect Neighborhoods	18
3.2.4 Manage Multimodal Corridors	21
4. MOBILITY PLAN	25
4.1 Local Transportation System	25
4.1.1 Promote a Livable and Economically Strong Community	25
4.1.2 Encourage Non-Auto Travel	27
4.1.2.1 Fixed-Route Transit Services	27
4.1.2.2 Paratransit Service	29
4.1.2.3 Bicycle and Pedestrian Travel	29
4.1.2.4 New Programs	31
4.1.3 Protect Neighborhoods	32
4.1.3.1 De-Emphasized Streets	34
4.1.4 Manage Multimodal Corridors	35
4.1.4.1 Multimodal Corridors	36
4.1.4.2 Conventional Street Classifications	39
4.1.4.3 Managing Demand	40
4.1.4.4 Parking	42
4.2 Regional Transportation System	46
4.2.1 Public Transit	46
4.2.1.1 Gold Line Light Rail System	46
4.2.1.2 Los Angeles County MTA Programs	50

	PAGE
4.2.2 Freeway Network	50
4.2.3 Roadway Network	51
4.3 Transportation System Analysis	51
5. IMPLEMENTATION PROGRAMS	53
5.1 Implementation Opportunities: Programs and Strategies	53
5.2 Interagency Opportunities for Program Implementation	53
5.2.1 The MTA Call for Projects Program	54
5.2.2 Federal and State Grants	54
5.3 City of Pasadena Capital Improvement Program	56
5.4 Other Implementation Programs and Strategies	56
5.5 Implementation Actions	58
5.5.1 Promote a Livable and Economically Strong Community	58
5.5.1.1 Encourage Transit Oriented Development Along Major Transit Corridors	58
5.5.1.2 Apply Project Review Guidelines	58
5.5.1.3 Promote Transit Oriented Development	59
5.5.1.4 Manage Parking Supply and Demand	60
5.5.1.5 Promote Regional Interagency Coordination	62
5.5.1.6 Emergency Planning	63
5.5.1.7 Community Event Support	64
5.5.1.8 Air Quality Improvements	65
5.5.1.9 Environmentally Friendly Services	65
5.5.1.10 Improve Safety	66
5.5.2 Encourage Non-Auto Travel	66
5.5.2.1 Partner with Adjacent Jurisdictions	66
5.5.2.2 Expand Local Transit	67
5.5.2.3 Improve Bus Stops and Stations	69
5.5.2.4 Provide Improved Public Information	69
5.5.2.5 Foster Non-Auto Travel Demonstration Projects	70
5.5.2.6 Design and Operating Considerations for Bicycles	71
5.5.2.7 Encourage Use of Bicycles	72
5.5.2.8 Bicycle Provisions at Transportation Centers	73
5.5.2.9 Promote Pedestrian- and Bicycle-Friendly Places	73
5.5.2.10 Promote Pedestrian Linkages and Priority Areas	74
5.5.3 Protect Neighborhoods	74
5.5.3.1 Discourage Traffic from Using Local Streets	74
5.5.3.2 Support Neighborhood Initiatives	76
5.5.3.3 Manage De-Emphasized Streets to Limit Increases in Through-Traffic	77
5.5.3.4 Promote and Seek Funding from Regional Agencies to Construct Soundwalls	78

	PAGE
5.5.4 Manage Traffic on Multimodal Corridors to Promote and Improve Citywide Transportation Services	78
5.5.4.1 Manage Traffic on Multimodal Corridors	78
5.5.4.2 Manage Truck Traffic	80
5.5.4.3 Shared Parking for Projects with Multiple Users	81
5.5.4.4 Provide for Public Parking Needs	81
5.5.4.5 Address Mobility Corridor Impacts on Neighborhoods	82
5.5.4.6 Implementation Approach for Traffic Management Initiatives	83
5.5.4.7 Minimize Street Widening along Corridors and Consider Alternatives	83
5.5.4.8 Enhance Vehicular, Pedestrian, and Bicycle Safety at Signalized Intersections	84
5.5.4.9 Promote Trip-Reduction Programs	85
5.5.4.10 Access to Major Transportation Services	86
5.5.4.11 Safety Enhancements	87
5.5.4.12 Support Regional Freeway Improvements	88
5.6 Implementation Roles and Responsibilities	89
5.6.1 Oversight Commissions	89
5.6.2 City Department Responsibilities	89
6. OTHER CIRCULATION FACILITIES	93
6.1 Airport	93
6.2 Sewer	94
6.3 Wastewater Treatment	94
6.4 Drainage	95
6.5 Waterway	95
6.6 Water System	95
6.7 Power System	97
6.7.1 Distribution Facilities	97
6.7.2 Transmission Facilities	97
6.7.3 Resource Facilities	98
