MAYOR

District 1

April 2, 2001

City of Pasadena
City Council
100 North Garfield Avenue
Pasadena, CA. 91109

Attention: JOYCE STREATOR, District 1

After great consideration, I am resigning from my position as Commissioner on the Commission on the Status of Women effective this date. Although there are many variables in this matter, the demand of family and health must be my first priority. I have also hoped that I could have been more effective in my position on the Commission. I appreciate the experience of the appointment and hope that a replacement may be found forthwith.

Attached is a resume from a well qualified woman in District 1 which might be considered. With all sincerity, I personally want to thank the Commission members and especially Yesceni Ramirez for her support and outstanding work effort on behalf of the Commission. It was noted early that the Commission could not function without Yesceni and her constant oversight.

Sincerely,

Sharon G. Smith
