Hi Roger—

Deb and I have made the decision to move back to Dallas. I have two sons and three grandchildren in Texas and want to be closer to them. Deb's family is also in Dallas so this move makes sense for both us personally.

Therefore I must resign my board position a PCOC effective immediately. It has been my honor and my pleasure to work with you and the outstanding members of this board as well as the PCOC staff. I wish you and the PCOC every success in the future.
