Jane,

Can you agendize this please?

Hi there Mr. Little,

At this time I'm writing to tell you of my resignation. That was hard to write. The 3 years on Accessibility/Disability Commission have been enlightning and rewarding. Enjoyable too. Isn't Robert Gorski a treasure!

Needless to say I'm not up to finishing my 2nd term. But one day, when the energy befriends me, I'll participate in whatever I can.

Keep up the good work, and you are prayed for.

Respectfully, Juanita

Peace, Joy, Love
