

Ordinance Fact Sheet

TO: CITY COUNCIL

DATE: August 19, 2002

FROM: CITY ATTORNEY

TITLE OF PROPOSED ORDINANCE: AN ORDINANCE FIXING THE FY 2003 TAX RATE FOR THE POLICE BUILDING AND JAIL GENERAL OBLIGATION BONDS AND ESTABLISHING PROCEDURES FOR COLLECTION AND ENFORCEMENT OF SAID TAX

PURPOSE OF ORDINANCE: To fix the tax rate for the 1987 and 1993 Police Building and Jail General Obligation Bonds at \$.014611 and to establish procedures for collection and enforcement of said tax.

REASONS WHY LEGISLATION IS NEEDED: In August 1987, the City issued \$17,000,000 in taxpayer approved General Obligation Bonds for the construction of a new police building and jail. In 1993, the City subsequently refunded a portion of the bonds in order to lower annual debt service. The debt service on these bonds is payable from an override on the property tax which is levied annually for the period that the Bonds are outstanding.

Charter Section 905 and California Government Code Section 43632 require that the City Council adopt an ordinance each September which sets the property tax rate for the General Obligation Bonds for the Year and adopts the method of collection and enforcement. The Director of Finance has calculated the necessary property tax override to be \$.014611 per \$100 assessed valuation for fiscal year 2003, based on information provided by the County Auditor-controller. The required tax rate is adjusted each year depending upon changes in assessed valuation, debt service and the amount for reserves from past over-collection. The rate calculated for last year, fiscal year 2002, was \$.015297 or \$15.30 on a \$100,000 assessed value residence.

In general, the rate for fiscal year 2003 is 4.5% less than the rate for fiscal year 2002. This decrease is primarily caused by an increase in the assessed valuation realized in Pasadena this past year.

The tax will be collected in accordance with procedures established by the Assessor of the County of Los Angeles.

MEETING OF 8/19/2002

AGENDA ITEM NO. 9.A.1.

PROGRAMS, DEPARTMENTS OR GROUPS AFFECTED: The Department of Finance administers the Police Building and Jail General Obligation Bonds.

FISCAL IMPACT: Levying this property tax override is necessary so that the City can pay annual debt service on the General Obligation Bonds. For a residence with an assessed valuation of \$100,000, the fiscal year 2003 tax for the General Obligation Bonds will be \$14.61.
