Re: Resignation from Human Relations Commission

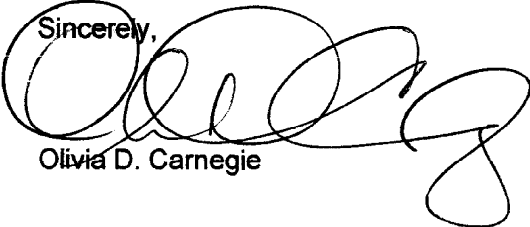

Dear Council Member Holden:

It is with great regret that I submit this letter as my notice of resignation from the volunteer position of District 3 representative on the city of Pasadena Human Relations Commission.

As I expressed to Jacqueline McIntyre at the time of my appointment, although I sought out the opportunity to serve the city of Pasadena on the Human Relations Commission because of the importance of human relations issues in the city, I was concerned about the time commitment necessary to serve in this very important position. Unfortunately, my concerns have proven true. My current graduate school course load does not avail the time necessary to serve the city to the best of my ability on the Commission.

Thank you for the opportunity to serve the city of Pasadena as a Human Relations Commissioner. Although I only served for a short period, the experience was valuable, and I hope to have the opportunity to serve a full term in the future.

Sincerely,

Olivia D. Carnegie

District 3
