Re: Resignation from Human Services Commission

Dear Mayor Bogaard:

Unfortunately, due to time constraints resulting from my private practice I must offer my resignation from the Human Services Commission.

It has truly been an honor to have served on this Commission. I want to extend my gratitude to you, the City Council, and Councilmember Steven G. Madison for having provided me with such a worthy opportunity.

Thank you for your understanding. Please do not hesitate to contact me should you have any questions.

Very truly yours,

VICKI I. SARMIENTO
