Roger

It is with mixed feelings that I must resign from the PCOC. My appointment as Federal Security Director by Secretary Mineta to the San Francisco International Airport makes it impossible for me to fully support my PCOC duties. As you know I am very proud to live in Pasadena and to serve my city through my involvement in the PCOC.

Dispite my commitment to PCOC this new opportunity to serve my country as a leader in the new Transportation Security Administration is a comprehensive undertaking that keeps me from attending meetings and helping with the vital projects the PCOC is currently managing. I know Pasadena has many capable citizens who can step in and help with the many challenges facing Pasadena.

I want to thank you, Committee Chair Pam Hemen, and your staff for all of the assistance provided me during my tenure as a committee member.

Respectfully

city appointee

Edward Gomez
