Mr. Sid Tyler
Councilman, Seventh District
City of Pasadena
100 N. Garfield Avenue
Pasadena CA 91109-7215

Dear Sid:

It is with regret that I submit my resignation as a member of the South Lake Parking Commission. I have been a member of this commission for some time, and have thoroughly enjoyed that time. I feel that the current members are superb, and are doing an excellent job in evaluating issues of the District.

Unfortunately, the demands on my time have become such that I cannot make the meetings on a regular basis, and that is not fair to the operation of the commission. It would be in the best interest of all if we find a suitable replacement for me.

I appreciate having been a member, I wish my fellow commissioners well in their pursuits, and thank you personally for all you do for our fine City.

Kindest personal regards,

James G. Ellis
