Pasadena, Ca. 91106

Dear Peter:

I am late in acknowledging your resignation from the Rose Bowl Aquatics Center, and in particular the three years of yeoman service you have provided as a City appointee. Judy Biggs confirms what I always knew about your dedication to the Center in so many ways, and your leadership at the Board level.

The Board will miss you, and especially your talents in obtaining outside support from the business community as well as bringing a greater awareness of what's going on in the Center.

So, a great big thank you for your years of service. If you'd like to get involved on another City Board or Commission, I'd love to put your name forward.

With kind personal regards to you and Tess.

Sincerely,

Bill
