68863.1

MEETING OF 6/23/2003

AGENDA ITEM NO. 9.A.1. - 5

REASONS WHY LEGISLATION IS NEEDED: In October 2001, Governor Gray Davis signed into law Senate Bill 211 which authorized redevelopment agencies to adopt an ordinance to repeal the time limit for making loans and establish debt for all project areas approved prior to 1994. SB 211 provides a summary procedure which would not require that the City comply with the normal procedures for amending redevelopment plans. (Health and Safety Code §33354.6).

Repeal of the debt limit for each of the respective projects would provide the Pasadena Community Development Commission with additional time to incur debt and make loans to assist future redevelopment projects.

PROGRAMS, DEPARTMENTS OR GROUPS AFFECTED: The Planning Department will be responsible for implementing this ordinance. The repeal of the time limit for making loans and establishing debt would trigger the statutory pass through payments to affected County- taxing entities, such as Fire, Library, Flood, etc.

FISCAL IMPLICATIONS: This action will have no impact on the general fund. However, the repeal of the existing limits would allow the Community Development Commission to realize a bonding capacity ranging from \$7,716,000 in FY 2003 to a maximum of \$18,614,00 in FY 2015 for all five redevelopment project areas.

POLICY CHANGES: The redevelopment plans for the five identified project areas will only be amended with respect to the time limits for incurring indebtedness. The plans will otherwise remain unchanged.

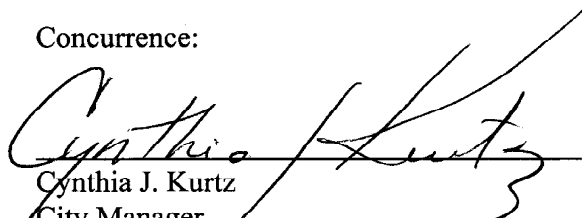

Respectfully submitted,
