Office of the Mayor
City of Pasadena
100 N. Garfield Avenue
Pasadena, California

Dear Mr. Mayor:

It was with regret that I resigned from the Northwest Commission last year. My letters to Mr. Tyler and the Commission seem have been misdirected so once again I must regretfully resign from the Northwest Commission. I enjoyed my service on the Committee and especially the close communication with the other very qualified Commissioners. I appreciate the appointment and hope to be able to serve once again in some other capacity in the future.

Sincerely,

William F. Warren, Jr.
