Roger,

As discussed with you today and due to an opportunity with Hilton which requires relocation, I must officially tender my resignation as President of the PCOC effective November 7, 2003 or sooner if you see fit. Additionally let me know if I need to contact any other parties with this information.

It has been an honor and privilege to work with professionals such as yourself and your entire team. I will be forever grateful to the dedicated Board of Directors who volunteer their time and expertise for the greater good of the City of Pasadena and it's citizens. All of you have made my work as President of the PCOC enjoyable and pleasure to serve as you embark on the very important Conference Center expansion.

I wish all of you continued success and I look forward to having our paths cross again in the future. Please pass along that if anyone has a real need to see snow or very cold weather, I have a room reserved for

them at the Hilton Minneapolis.

See you at ASAE in Minneapolis in the Spring!!

Regards,

John E. Luke
