

# Agenda Report

June 21, 2004

**TO:** City Council  
**FROM:** City Manager  
**SUBJECT:** Rejection of Bid Package for Two Flatbed Trucks

## **RECOMMENDATION:**

It is recommended that the City Council reject all bids received for the purchase of two flatbed trucks.

## **BACKGROUND**

Pasadena Water and Power (PWP) solicited bid packages out for two flatbed trucks to be used to transport ductile pipe, heavy water fittings, concrete meter boxes, and various meters. The bid package contained some ambiguity as to the fuel type desired by PWP. Bids were received for both gasoline and diesel engines.

The specification omission resulted in all bids being rejected. PWP has since revised the specification, identifying gasoline as the fuel type desired. The revised bid package will specify a gasoline engine.

**FISCAL IMPACT**

There is no fiscal impact.

Respectfully submitted,

Cynthia J. Kurtz  
City Manager
