Patsy:

I would like to apologize for my delayed response. I'm sorry to say I will no longer be able to continue being a member of this commission. I've had several family members pass away within the last couple of months. It was a very hard time for me and my family. I also would like to apologize for not being available for the last couple of meetings. I hope everyone understands.

I have the grant proposals at home and would like to know what to do with them.

Thanks for all your time and cooperation in this matter.

Regards,

Erin Vargas
