

Agenda Report

TO: CITY COUNCIL

DATE: August 22, 2005

FROM: City Manager

SUBJECT: Contract Award to – Doug Martin Contracting Company, Inc.
for the Slurry Seal of Streets - 2005
for an Amount Not to Exceed \$341,000

RECOMMENDATION

It is recommended that the City Council:

1. Accept the bid dated July 29, 2005, submitted by Doug Martin Contracting Company, Inc., in response to the Specifications for the Slurry Seal of Streets - 2005, reject all other bids received, and authorize the City Manager to enter into a contract not to exceed \$341,000, which includes the base bid of \$310,096.52 and \$30,903.48 for any additional work the City may order pursuant to the project specifications.
2. Acknowledge the project to be categorically exempt under Section 21084 of the California Environmental Quality Act (CEQA) in accordance with Article 19, Section 15301 (Class 1), subsection (c) of the Resources Agency of California Guidelines (repair of existing public streets) pursuant to the findings of the Secretary of the Resources Agency and authorize the City Manager to execute and the City Clerk to file a Notice of Exemption for the project with the Los Angeles County Clerk.

BACKGROUND

This project consists of the slurry seal of eighty-nine street segments. It covers 14.6 miles of City streets. A list and map of all street segments is included as Attachment "A." In addition to slurry seal work, this project also includes repainting of existing permanent traffic striping and installing raised pavement markers.

A finding of compliance with the General Plan was previously made and the project is shown on page 2.1 of the approved FY 2006-2010 Capital Improvement Program.

Under the State Guidelines for the Implementation of the California Environmental Quality Act (CEQA), this project is categorically exempt since the work consists of the maintenance of existing public streets. Therefore, it is recommended that a Notice of Exemption be filed with the Los Angeles County Clerk.

Plans and specifications for the subject project were prepared by the Department of Public Works.

This project was advertised in the Pasadena Journal on July 14, 2005. In addition, the Notice Inviting Bids was published in four trade publications. Bid packets were obtained by 11 Contractors, 3 of whom submitted bids for the project.

In accordance with Section 4.08.070 of the Pasadena Municipal Code, bids have been requested and received.

Following advertising, bids were received on August 3, 2005 and are as follows:

<u>Bidder</u>	<u>Amount</u>
1. Doug Martin Contracting Company, Inc., La Habra	\$310,096.52
2. Pavement Coatings Co., Cypress	\$330,213.64
3. All American Asphalt South, Inc., Fontana	\$368,049.69

The lowest bid received was 9.3% lower than the Engineer's Estimate of \$342,005.00.

It is recommended that Doug Martin Contracting Company, Inc. be awarded the contract for this project as they are the lowest responsive and responsible bidder and that all other bids be rejected. The proposed contract with Doug Martin Contracting Company, Inc., Inc. fully complies with the competitive bidding ordinance and the rules and regulations promulgated thereunder as did the Contractor selection process. The Contractor has indicated that the award of this contract will result in no new hires to the present work force.

The contract for this project will be set as follows:

Base Bid	\$ 310,096.52
Contingencies	\$ 30,903.48
CONTRACT NOT TO EXCEED	\$ 341,000.00

It is anticipated that construction will begin in October 2005, and be completed in December 2005.

FISCAL IMPACT

Funds for this project are available in Budget Account 73580 (Preventive Maintenance – Asphalt Streets).

Respectfully submitted,

CYNTHIA J. KURTZ
City Manager
