Subject: "Master Plan for the Revitalization of the Rose Bowl" Agenda Report
Date: July 8, 2005

On July 7, 2005 the Rose Bowl Operating Company Board of Directors met and discussed the "Master Plan for the Revitalization of the Rose Bowl" agenda report. The board determined that additional work would be necessary before the report would be in a form to forward to the council for its deliberation.

Due to vacation schedules, it is likely that sometime in August would be the earliest the report would be in a position to be forwarded to the council
