TO: CITY COUNCIL

FROM: CITY MANAGER

SUBJECT: REJECT ALL BIDS FOR THE PURCHASE OF A CRANE FOR PASADENA WATER AND POWER'S WAREHOUSE

RECOMMENDATION

It is recommended that the City Council reject all bids to purchase a crane for Pasadena Water and Power's Warehouse.

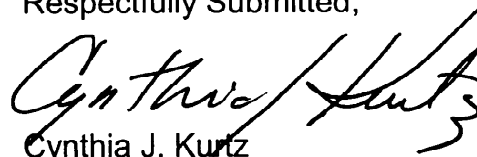

BACKGROUND

Specifications for the purchase of a crane for Pasadena Water and Power's Warehouse (PWP) were issued on May 26, 2005. Two responses were received and opened in the City Clerk's office on June 21, 2005. A review of the bids revealed that the specifications in the bid proposal need to be amended to address some safety concerns. As a result, PWP in conjunction with the Purchasing Division determined that new specifications need to be developed and reissued on a later date.

FISCAL IMPACT

The cost of reissuing and re-bidding the specifications is negligible.
