Attn: District 2 Councilman, Honorable Paul Little

Dear Councilman Little:

Having served several terms as the District 2 Transportation Advisory Commission (TAC), it has been my pleasure and honor to serve the District and City of Pasadena. I believe TAC serves a vital function in maintaining and improving life for the citizens of Pasadena. While much remains to be done, I am proud of what has been accomplished in the last few years and have been proud to be included with the dedicated and capable Commissioners who make up TAC. While I remain vitally interested in being involved with the community, in fairness to my other obligations, I must tender my resignation for TAC. I have been asked to serve on the Archdioceses of Los Angeles Building Commission and I have accepted the assignment.

As you are aware, Bob Holmquist has submitted his application for the Transportation Commission. Bob is a fine candidate and will do a great job, if selected.

Thank you for providing me with the opportunity to serve the community through TAC.

Sincerely,

P. Michael Brady  
Vice President
