Dear Northwest Management Office,

This letter serves as my resignation from the Northwest Commission, effective Tuesday, February 28, 2006.

Considering current professional projects and travel schedule, there will be substantial scheduling conflicts for Commission meetings on Tuesday evenings. Therefore, I must resign from my position as a Commissioner for the Northwest Commission.

If you have any questions, or further action is needed on my part, please feel free to contact me at (626) 577-0274.

Regards,

Channa Arviso
