Subject: Stop the Strip Club

Dear Jane,

My husband, J. Kevin Coleman, and I support amendments to the ordinance governing the strip club, which will be discussed at the meeting next week. The most stringent amendment should be encouraged but best of all would be stopping the strip club altogether. It absolutely baffles me that our fair Pasadena has to be subjected to such immoral businesses.

Sincerely,

Catherine M. Coleman

Subject: the up-coming meeting

I am unable to attend the meeting, as I am currently living in CT. and will be here till Jan. Meanwhile, I hope that Pasadena can withstand the onslaught of the trash businesses that try to overtake and cheapen our cities. I own a second home in Pasadena, because it is still a desirable place to live. If these businesses are continued to be allowed to enter, they will multiply, like roaches. I think there is one adult porno business already prominently located sadly, on Foothill Blvd, and is such an eyesore. regards, MARY DUFORD
