RE: ADOPTION OF A RESOLUTION OF INTENT TO AMEND THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM CONTRACT TO IMPLEMENT RETIREMENT BENEFIT ENHANCEMENTS FOR MISCELLANEOUS NON-SAFETY EMPLOYEES

RECOMMENDATION

It is recommended that the City Council adopt a Resolution of intent to approve an amendment to the contract between the Board of Administration of the California Public Employees' Retirement System and the City Council of the City of Pasadena to implement Credit for Unused Sick Leave (Government Code Section 20965), Pre-Retirement Optional Settlement 2 Death Benefit (Code Section 21548), Fourth Level of 1959 Survivor Benefits (Code Section 21574), and Military Service Credit as Public Service (Code Section 21024) for local miscellaneous members, to implement the terms of the agreement reached with the non-safety unions.

BACKGROUND

Last year, the City and the Unions representing the non-sworn, miscellaneous employees, American Federation of State, County and Municipal Employees (AFSCME), International Brotherhood of Electrical Workers (IBEW), International Union of Operating Engineers (IUOE), Pasadena Association of Clerical and Technical Employees (PACTE), Pasadena Management Association (PMA) and Service Employees International Union (SEIU), collectively referred to as "the Coalition," negotiated in good faith and reached agreement on enhancements to PERS retirement benefits and on arrangements to share the cost of retirement benefits. The agreement, a copy of which is attached, provides for the following:

a) Effective as soon as administratively possible:

Credit for Unused Sick Leave
Military Service Credit Buy Back
Pre-Retirement Optional Settlement 2 Death Benefit
Fourth Level of 1959 Survivor Benefits

- b) Effective July 1, 2006: The first phase of cost sharing implemented; employees to pay 2.2% of salary.
- c) Effective January 1, 2007: 2.5%@55 enhanced retirement benefit.
- d) Effective July 1, 2007: The final phase of cost sharing implemented; employees to pay additional 1.4% in cost sharing, for a total of 3.6% of salary.

The City Council has amended the Salary Resolution to implement the enhancements and cost sharing for the miscellaneous unrepresented management employees. Salary Resolution amendments applicable to the unrepresented non-supervisory employees and the unrepresented Executive Management employees are pending. This action is part of the process to amend the City's contract with PERS to implement the first series of benefit enhancements provided for by the Coalition agreement, described in item a) above.

The Credit for Unused Sick Leave benefit allows retiring employees to convert unused sick leave to additional service credit on a pro-rated basis. The Pre-Retirement Optional Settlement 2 Death Benefit allows a surviving spouse to receive the same monthly benefit that the deceased member would have received. The Fourth Level of 1959 Survivor Benefits, funded from a sub-account with PERS, to which both the employer and employees contribute, provides for a higher level of benefits to survivors of a deceased member.

In order to amend the PERS contract for these benefits, PERS regulations require that the City Council adopt a Resolution of Intention giving public notice of the intention to approve a specified amendment to the PERS contract. The PERS contract must be amended by Ordinance, which is before the Council under a separate item. The first reading of the Ordinance may be done concurrently with the Resolution of Intent, with a second reading no earlier than 20 days after adoption of the Resolution of Intention. The Ordinance will be effective upon publication; the contract amendment to provide for these benefits will be effective the beginning of the first pay period thereafter in July 2006, consistent with the agreement reached with the Unions.

The cost sharing arrangement will be accomplished by reducing the amount of the employee contribution rate that is paid by the City. To illustrate, currently the City pays all of the 7% employee cost; effective July 2006, the City will pay 4.8% of the employee cost and the employees will pay 2.2% on a pre-tax basis. The implementation of this portion of the Coalition agreement requires administrative action by staff, without further action by the City Council.

PERS requires a separate Resolution and an Ordinance to implement the 2.5%@55 benefit. That process, which under PERS regulations must include a vote of all

miscellaneous employees, is expected to take place in the early fall to allow for an implementation date of January 2007.

FISCAL IMPACT

The PERS actuarial valuation reports an increase in the present value of benefits of \$4,669,063, and an increase in the accrued liability of \$3,397,640; resulting in an increase of 0.532% to the City's total employer rate for miscellaneous employees as a result of implementing the Credit for Unused Sick Leave and Pre-Retirement Optional Settlement 2 Death Benefits enhancements. For the Fourth Level of 1959 Survivor Benefits, the PERS actuarial valuation reports an annual cost of approximately \$194,734 each year for five years, and then approximately \$91,984 annually thereafter.

The cost of implementing the Military Service Credit as Public Service is dependent on the circumstances of the individuals applying for this benefit, and therefore any cost will be included in the City's future annual valuations and the resulting annual employer rates. The incremental cost increase for each individual is expected to have a negligible impact on the City's future employer rates.

These benefit enhancements were previously approved by the City Council as part of negotiations with the various Unions; therefore the fiscal impact of the Coalition agreement is included in the City Manager's recommended FY 2007 Operating Budget and in the most recent five-year financial projections. Additional appropriations are not required.
