Subject: STORBOX

Dear Mr. Woo,

I am writing to you in regard to the proposed additions to the STORBOX storage facility on Foothill Boulevard.

I am the owner of the Foothill Veterinary Hospital at 2204 E. Foothill Boulevard which is directly across the street from the STORBOX storage facility. I have been at this location for forty-five years. The existing STORBOX building as well as the proposed buildings are in my opinion, an excellent addition to the neighborhood.

Sincerely,

Robert E. Bell DVM

From Patricia Karr
Re Property at 2159-2233 Foothill Blvd.

After living on White St. for some 40 plus years and going through a number of business changes at the property in question, I would like to express my full support for the proposed plans

I believe the new buildings will be a very good looking addition and entrance to the neighborhood.

Thank you,

Patricia Karr
