

**2002 – 2003
Student Parking Permit Application:**

Driving to school and parking on campus are privileges granted to students at Maranatha. Students who receive a parking permit must abide by the residential speed limit of 25 MPH, follow specific routes to arrive and depart from school, and park their vehicle in the assigned space. Permits will be issued on the following basis; carpooling applications (driving with at least two additional students in the vehicle), hardship (distance from school, special circumstances), grade level of student. There are a limited number of student spaces, not all students who apply for a parking permit will receive one. There is no parking on the streets by MHS faculty, staff, students, or family. **Applications are to be turned into the main office by Friday September 6th. Applications turned in after this date will be processed after the start of school as parking spaces become available.**

September 6, 2002

Dear Maranatha Parents:

Welcome to the 2002-2003 Academic Year!

The occasion of this letter is to remind you of a few important dates and details:

- **Parent Orientation Meeting**, Tuesday, September 10, at 7:00 p.m. in Mott Auditorium. Please note that you must park on-site. There is no on-street parking. See enclosed parking plan. The focus of this meeting will be to provide you critical information regarding our first week of school, transportation (drop-off/pick-up) information, calendar, and important informational updates.
- **Freshman First Day**, Wednesday, September 11, 7:55 a.m. to 2:40 p.m. (a regular school day). Students will report to Franson Auditorium. See map enclosed.
- **All Students' First Day**, Thursday, September 12, 7:55 a.m. to 2:40 p.m. Students will be directed to their classrooms upon arrival.
- **Uprising 2002**, Friday, September 13. Students report to school at 9:00 a.m. and return to the campus at 3:45 p.m. Please note time change for drop-off and pick-up of students.
- **Back to School Night**, Our Back to School Night is an opportunity for you to meet your student's teachers and learn more about their expectations. Due to the class size and parking limitations, we will need to schedule two (2) Back to School Nights.

Freshmen/Senior Back To School Night - Tuesday, September 17, 6:30 p.m.

Sophomore/Junior Back To School Night - Thursday, September 19, 6:30 p.m.

General Information

★ **Traffic Plan**: Please note the enclosed traffic plan regarding student parking and drop-off and pick-up areas and general parking.

It is especially important that you observe all vehicular traffic signs. Please note that the speed limit on surface streets is 25 mph, and on campus is 5 mph. There is no street parking for Maranatha staff, students or parents under any circumstances. We need to recognize that as "new" neighbors, with 500 students and staff, we need to model appropriate behavior.

Always enter the campus from the west off Hill Street. If you are *dropping off or picking up students*, please enter from Elizabeth. If your child has a parking permit, he/she must enter the parking area from Howard Street, coming East from Hill. Upon exiting we must always "go West" to Hill Avenue, then North or South. Please note that as part of our commitment to the community, we are not permitted either North or South egress or access to our campus—only from the west, off Hill Avenue.

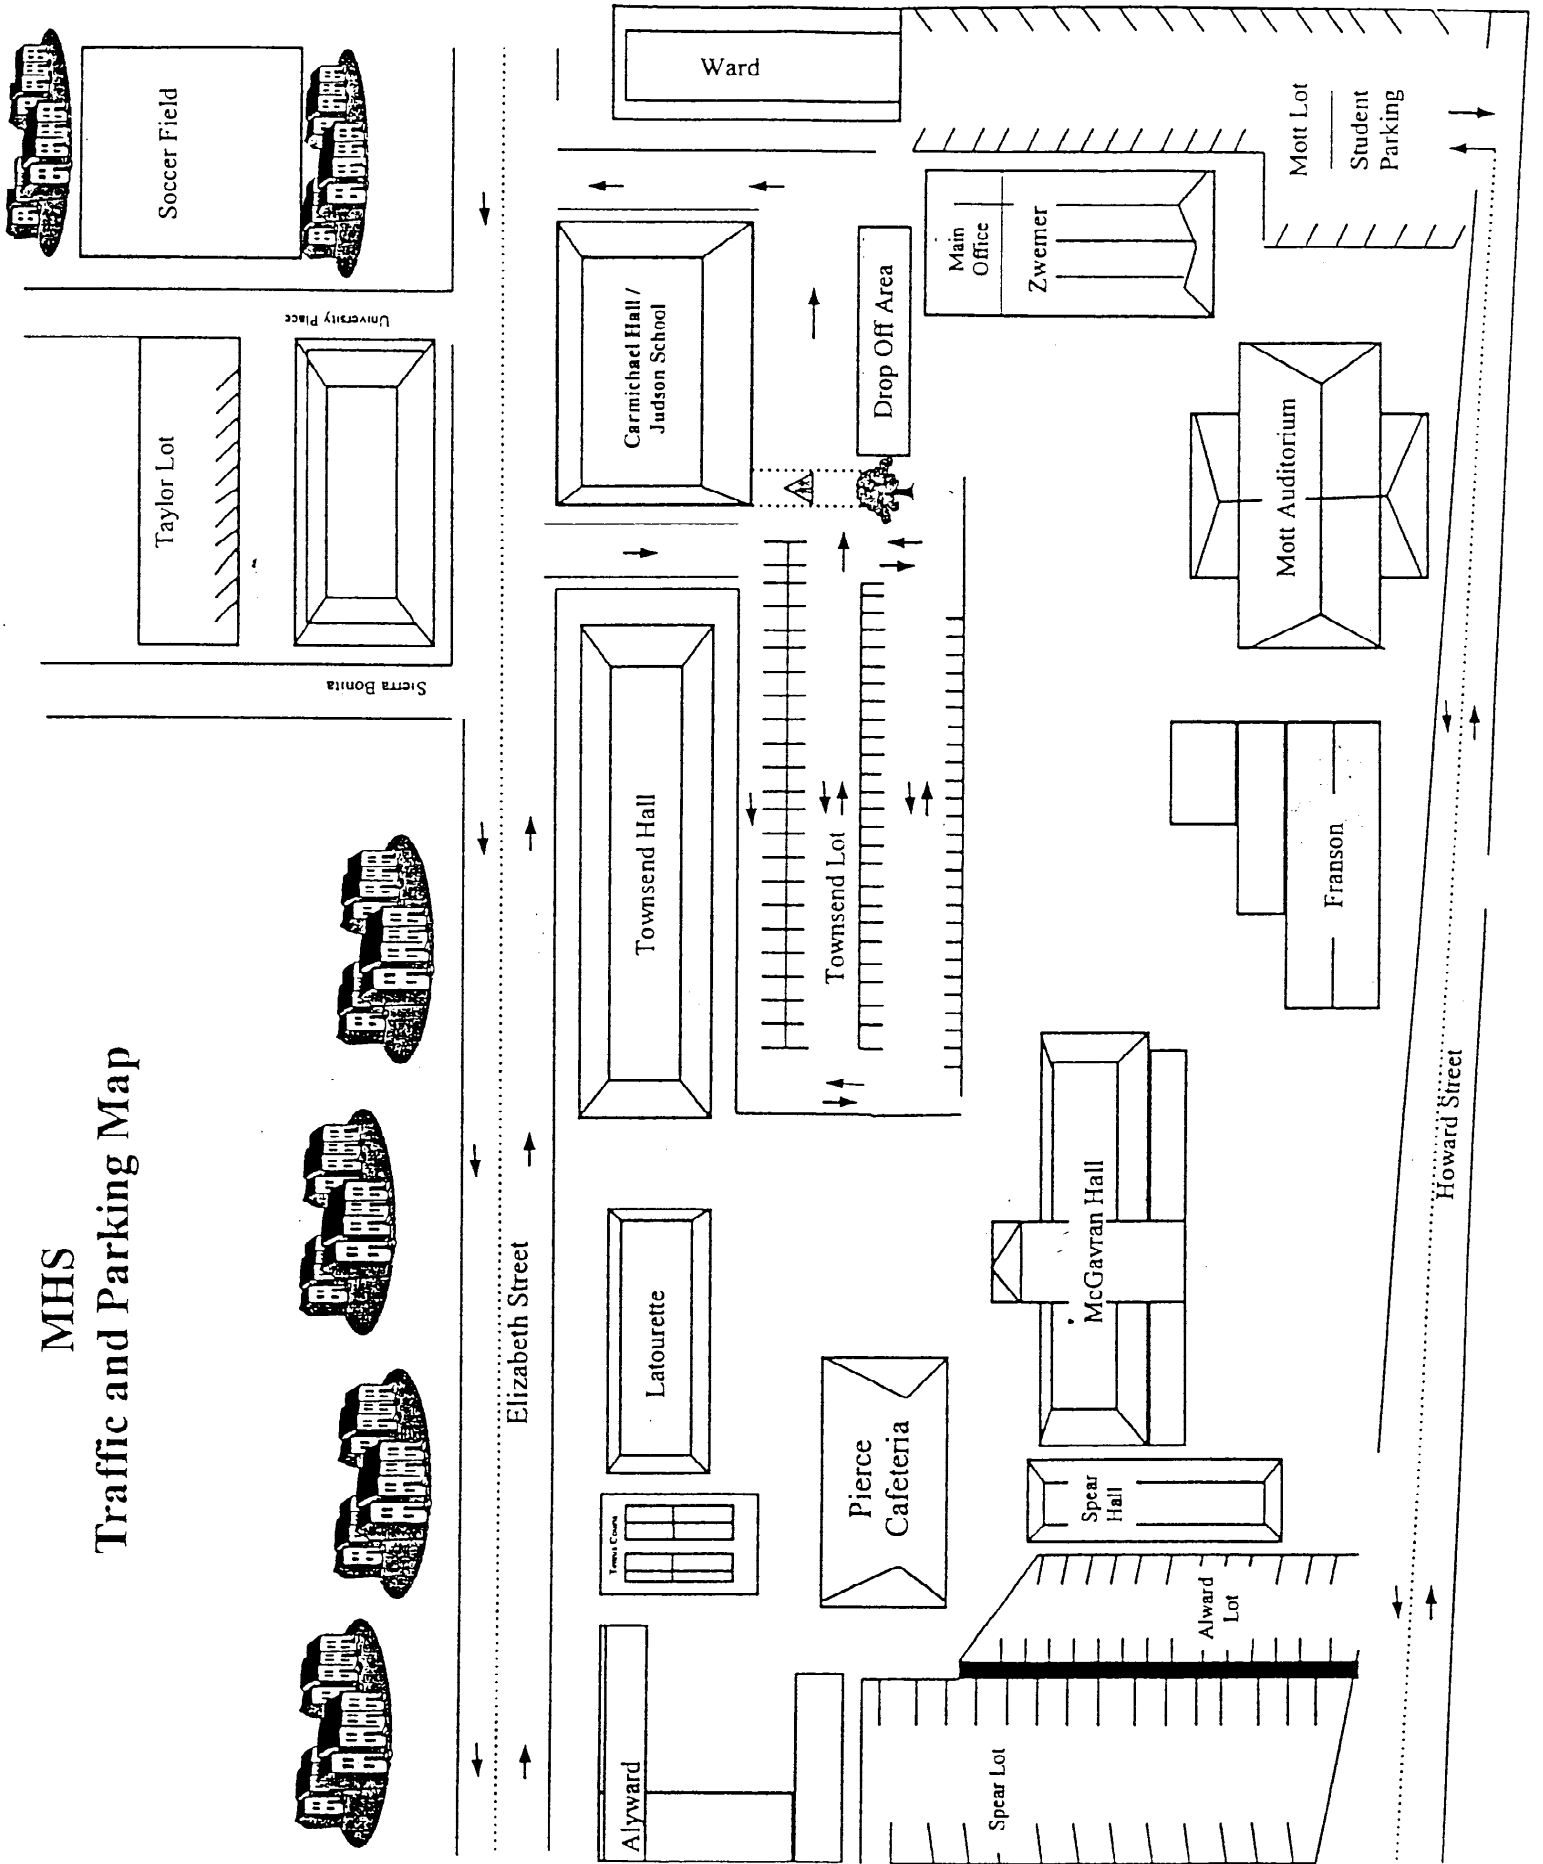

We look forward to seeing you this Tuesday evening.

In His service and yours,

A handwritten signature in black ink, appearing to read "Charles E. Crane".

Charles E. Crane
Head of School

MHS Traffic and Parking Map

September 6, 2002

Dear Friends and Neighbors:

Maranatha High School, a private Christian college-preparatory high school, is pleased to become a new member of your community! It is our intent and desire not only to be a good neighbor but to have a positive presence in the city of Pasadena. We are thankful for your patience over the summer as we have worked diligently to ensure a smooth transition to the William Carey campus.

Enclosed is information about Maranatha High School that will be helpful, particularly if you need to contact us at anytime. We welcome your feedback and are always willing to dialogue about concerns you may have or ways we can improve. In addition, you are cordially invited to attend any of our functions (drama or choir productions) that would be of interest to you.

Please note that our first major school event, "Parent Orientation", is next Tuesday evening, 7-9 p.m. Our first day of school is Wednesday, September 11 (freshmen only), and Thursday, September 12, is the first day for all students. I would kindly ask your patience and forbearance, especially these first two weeks of school, as we work with our school families, familiarizing them with our new campus and protocols.

In closing, if I can be of assistance to you, please don't hesitate to call me..

Sincerely,

Charles E. Crane
Head of School

Enclosure: Information Sheet
First Semester Special Events Calendar

Maranatha High School

Maranatha is a college preparatory school founded in 1965 by a group of Christian leaders who shared a vision to establish a secondary school based upon biblical principles and quality education. Maranatha has approximately 460 students enrolled for the 2002-2003 academic school year and approximately 55 faculty and staff.

Hours of Operation/Events Calendar

Maranatha operates Monday through Friday 7:30 a.m. to 4:00 p.m. with various vacation days. Enclosed is a calendar of first semester special events on campus. The regular school hours for students are 7:55 a.m. to 2:40 p.m.

Traffic/Parking

All Maranatha students, staff and parents are required to enter and exit the campus via Hill Street using the Elizabeth Street or Howard Street access. Approximately 165 parking spots have been allocated for Maranatha staff and students. The drop-off and pick-up area for students not driving will be accessed by entering and exiting the campus from Elizabeth Street. All staff and students must have a parking permit displayed on their vehicles at all times, color-coded red, white or green.

Security

Maranatha enforces a dress code policy and operates as a closed campus. Students are required to wear a white or blue collared shirt with an embroidered Maranatha logo.

If you observe any misconduct or inappropriate behavior from anyone associated with Maranatha regarding traffic or security, please contact David Ekstrand, our Traffic and Security Director, or one of our administrators. All staff have an "ID" tag for identification purposes.

Maranatha High School

Community Meeting Notes
October 23, 2002

Number of neighbors in attendance: 12

The meeting was opened with prayer by Mr. Chet Crane, Head of School, who then explained that the meeting was held in order for neighbors to present concerns re. traffic and/or other issues that may have arisen since school has begun. Mr. Crane introduced John Rouse, Steve Bundy, Nancy Hillis, Doug Barnett and Dr. Gary Clark.

Mr. Doug Barnett spoke regarding the changes that we have made to the parking lots to increase the number of parking places. He explained which lots are being used by students and faculty, and about the ingress and egress route for student drop off in Townsend Parking Lot. He also mentioned about construction completed in Lower Latourette.

Dr. Gary Clark, who was asked to monitor the questions and answer period, told about having come on campus in the morning; he was very impressed with the traffic flow and parking situation. He then asked for members of the audience to express concerns or comments.

Neighbor: Harvest Rock is having a conference. How is the parking going to be handled? She mentioned how difficult it has been in the past,

Mr. Bundy: He said that all three organizations (WCIU, Maranatha and Harvest Rock) are working together to help alleviate the parking situation. MHS is using a local church lot during the day for some of their faculty. WCIU is working closely with Harvest Rock to mitigate parking problems in the streets. Harvest Rock has sent a notice to conference attendees to be courteous and quiet, not to park across driveways, etc. They have been told that if there is an infraction, one warning will be given.

Mr. Bundy also said that WCIU is sending a letter to neighbors regarding the dates of the conference. Three phone numbers will be given for neighbors to use if they have a complaint; one is a 24-hour hot line with a live-person responding; one is the 24-hour security phone number; the third is the voice-mail number of Mr. Bundy's assistant. The third number is to be used if a situation is not resolved appropriately.

He also explained that the City of Pasadena gives allowance for overnight parking (a short-term exception) during this conference. He said that they are working hard to make this go smoothly. Campus parking lots will be filled first, but there will be an overflow into the neighborhood. The largest meetings will be held in the evenings, with 300 cars on campus. Harvest Rock Church will be having people direct traffic, and walking the streets to check that cars are parked correctly. If cars are not moved immediately, they will be towed.

Neighbor: Why have the neighbors not been contacted before? During conferences in the past people have parked in driveways. Residents have put up signs on trees in the parkway saying, "DO NOT PARK IN DRIVEWAY".

Neighbor: How many complaints have there been?

Dr. Clark: "I've not received any. I see very little traffic on Sierra Bonita." He also commented that he had learned just today that Harvest Rock has a school called The Call. Some parking and traffic infractions could come from these students.

Neighbor: In the CUP Maranatha has been restricted from having portable signs on the streets around the campus. On Sundays there are many portable signs placed by churches on the streets. Is there a city code re. these signs?

Mr. Bundy: He responded that he is not aware of a code related to this.

Dr. Clark: He said someone should find out about this.

Neighbor: There was a comment about the November 6 hearing.

Mr. Crane commented that the public meeting on November 6 is scheduled to determine how Maranatha is meeting the requirements of the CUP.

Neighbors: There was a complaint that MHS parents/students make u-turns on Sierra Bonita just below Howard. Students are dropped off and cars return south on Sierra Bonita. One lady said they actually pull into her driveway to turn around.

Mr. Bundy: WCIU is working on developing a CUP, which may result in a Master Plan for the whole campus. He explained further that the restrictions listed in the Maranatha CUP are not applicable to other organizations on the WCIU campus. Judson School is not restricted, however, they have been asked to follow MHS's traffic flow. Parking/traffic problems are not necessarily caused by MHS.

Neighbor: There are parking restrictions in some neighborhoods that apply to all drivers other than those who live on the streets. Residents have parking permits for street parking. If they have guests they have to get permits for their guests. This eliminates other than resident parking on their streets.

Dr. Clark: There is not need for waiting for the city to put restrictions on other organizations on the WCIU campus. The university can give directions to Judson School and other tenants that they must follow. Owners have the responsibility to set rules for tenants.

Neighbor: This lady works at the Judson School and stated there are very few Judson people not in compliance with the traffic restrictions.

Mr. Rouse: He explained that our parked cars are being monitored. From 7:30-7:50 a.m. teachers stand at the corner of Sierra Bonita and direct students. Parents/students not in compliance have been stopped and spoken to. We deal with these infractions. We have high compliance. When parents don't cooperate, they are notified that their student will suffer consequences.

Neighbor: On Sunday there was a fistfight in the Mott parking lot. There were no security guards in sight. The police were called.

Mr. Bundy: The security guards are required to monitor both inside and outside the buildings. We can't control what neighbor kids do--WCIU has worked with the police and even visited homes to try and resolve problems. He mentioned that Altrio has blocked some of our parking while installing cables.

Dr. Clark: He stated that he was really impressed with the way the parking loop worked. After speaking with the MHS monitor stationed on Elizabeth at the Townsend exit driveway, he felt that asking the city to allow some of the traffic to go east on Elizabeth would help eliminate the bottleneck on Elizabeth and Hill.

Neighbor: There is a lot more parking on streets at night since MHS has come.

Mr. Crane: We have had very few evening events. Other than this meeting, all evening events are listed on the calendar sent to neighbors.

Neighbor: On Sundays there is a lot of street parking on the north end, yet the Hudson Taylor parking lot is usually 1/2 full. Abundant Life people need to park in lots.

Neighbor: He commented that MHS students are supposed to eat on campus, but he sees a lot of people leaving for lunch.

Mr. Rouse: During the first couple of weeks of school a few students tried to leave at lunchtime. These students were suspended for a day.

Mr. Bundy: He explained that other people on campus are free to leave at lunchtime. He explained that there are 165 residents on campus; approximately 100 are college students. There are other activities on campus, as well.

Neighbor/works at Judson: A good number of Judson students who are in uniforms similar to Maranatha's live in the neighborhood around the campus. She also stated that Judson was concerned about having high school students on campus with their young students, but no problems have arisen.

The meeting was dismissed at approximately 8:00 p.m.

MARANATHA CHRISTMAS CONCERT

"Glory to God"

The Christmas season has arrived and you are invited to the Music Department's annual Christmas Concert to begin the celebration of Christ's birth.

The concert, entitled "*Glory to God*", will feature our Mixed Ensemble, Treble Tones, Concert Choir, Jazz Band, Advanced and Beginning Guitar and our newly formed String Ensemble.

December 17th at 7:30 pm
Lake Avenue Church Chapel

Tickets available in advance and at the door

\$6 adults

\$4 for Seniors

Free Admission for MHS students

Celebrate the Christmas spirit and support our musically talented students!

Upcoming Service Project Dates

Save the Dates!

December 7

January 11

February 8

Project time and location to be determined. Stay tuned for more information.

Pray at the Pole

Last week a group of students began meeting at the Flagpole in front of McGavran Hall at 7:30 a.m. to pray for MHS. Over a dozen students, 2 teachers and a local youth pastor attended. Parents, students, teachers....everyone is invited to attend every Tuesday and/or Thursday from 7:30 a.m. to 7:50 a.m.

Important Transportation Reminder

- Parents must drop-off students inside the Townsend Parking lot. Other areas are not permitted for drop-off.
- Only Students with parking passes are permitted to park on campus.
- Students and parents are to obey all the traffic regulations on Elizabeth and Howard Streets (25mph).
- Go West! Go West! Go West! Please continue to exit the campus by heading West to Hill Street. Please do not go down Wesley – even when it is backed up – this violates our Conditional Use Permit.

Checking In and out of School

- If a student arrives late to school they are to come to the Main Office to receive an admission to class.
- Students are permitted to have cell phones on campus, however they may not use them unless there is an event of major disaster. Parents are to contact the school office to communicate to their students during the school day.
- If a student needs to leave school early (sickness, doctor's appointment, etc..), they are to check out at the main office. Parents may pick-up students in the Townsend Lot directly in front of the main office.

November 2002

Dear Friends of the Neighborhood:

Maranatha High School is appreciative of the community's support and helpful suggestions regarding our transition to our new home. I want to thank all those who have attended both our "Community Neighborhood Meeting" (October 23), as well as our recent CUP "Update Hearing" (November 6).

As a result of those meetings, I wanted to make you aware of the following issues:

- Vehicular/Pedestrian Traffic: We have had discussions regarding increased traffic and the implementation of our traffic plan. Please do not hesitate to contact us of "any" concerns you have and/or your observations. You may contact us at the Hotline Number, (626) 720-8218, or by e-mail to d_ekstrand@maranatha-hs.org.
- General Concerns: We appreciate both positive and negative comments or concerns that need to be reviewed. Your issues become our issues. If you are not comfortable leaving your name and/or phone number regarding an issue, please leave a message with the date, time and the details of your concern.
- Campus Security: If you have questions regarding campus security and/or need to report an incident, please use the following phone number at William Carey: (626)398-2160 (24 hours); or e-mail address: facilities@wciu.edu; or weekday phone: (626)398-2427.
- New Traffic Study: A traffic study will be conducted over the next few months to assess our current plan and consider future options to hopefully mitigate some traffic issues. It is my understanding that this study will collaborate with both the City of Pasadena and Los Angeles County's traffic departments. The results will be presented at a future meeting.

In closing, I've enclosed a short essay regarding the uniqueness of this "Thanksgiving" month. We are ever grateful for your patience and hope and pray that your Thanksgiving is a special time with friends and family.

Sincerely,

A handwritten signature in cursive script that reads "Charles E. Crane".

A THANKSGIVING REFLECTION

Thanksgiving is a unique holiday as it appears between seasons with a mood all its own. Emily Dickinson once observed, "...a little this side of snow and that side of haze." Whether that haze is the early morning fog or smog, I don't know. To be sure, more than nature can obscure the true meaning of Thanksgiving.

For many in our society Thanksgiving is a time featuring "footballs and Butterballs". I am certainly one of those who enjoys both venues; however, in our "harried and hurried" world of "frantic and frenetic" activities, we rarely hear the word "thank you" uttered and much less reflected upon. In fact, this lack of expression is well illustrated in the following story:

A young man rose from his seat in a crowded bus so an elderly woman standing nearby could sit down. She was so shocked she fainted!! After regaining her composure and sitting down, she said to the young man, "Thank you!" He then fainted!!

We are more than mere spectators in a world characterized by a propensity to pursue goals that commonly are characterized as self-aggrandizement. Perhaps, just perhaps, we have lost a sensitivity to be grateful for things both "great and small" and most importantly the "Giver of every good gift". You may recall the words from the 70's musical "Godspell":

*...all good things around us are given from heaven
above, O thank the Lord, O thank the Lord...*

We would do well to reflect upon Abraham Lincoln's words in his "Thanksgiving Proclamation" of 1863:

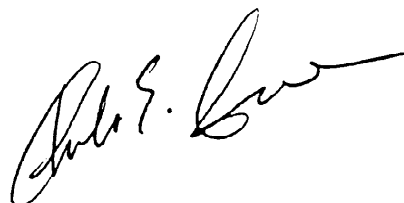

We have been recipients of the choicest bounties of heaven; we have been preserved these many years in peace and prosperity; we have grown in numbers, wealth and power as no other nation has ever grown.

But we have forgotten God. We have forgotten the gracious hand which preserved us in peace and multiplied and enriched and strengthened us. We have vainly imagined in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own. Intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us.

May God give us both the grace and humility to truly hear these words and those of the Psalmist, who said:

Let us come before His presence with thanksgiving. Let us shout joyfully with psalms. For He is our God...

I trust you take time this month to reflect upon those "choicest" gifts that are truly blessings. In closing, I would like to wish you and yours a very blessed Thanksgiving.

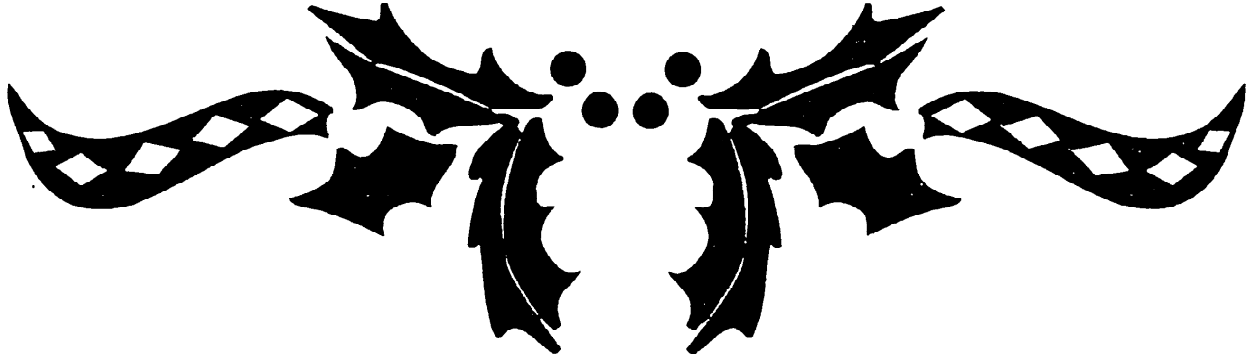

ANNOUNCEMENTS –Monday, November 23, 2002

1. **There will be a mandatory meeting for all Key club Officers on Tues. Nov. 26 at lunch in MU15. Regular meetings will resume Dec. 5th.**
2. **Next weeks college visit: Biola Tues. Dec. 3 at 9am. Pick up a permission slip in Guidance office.**
3. **Attention Drama Club! There will be an officers meeting on Tuesday, Nov. 26th and a full club meeting on Wednesday, Nov. 27th. All meetings are held in the Franson lobby. Come and be supportive of our up-and-coming Theatre Department.**
4. **Work experience will meet in the library tomorrow at lunch. Be sure to sign in.**
5. **Art club: don't forget the Magritte birthday celebration today at lunch in FL1..**
6. **STUDENT DRIVERS: Please do not park on the surrounding streets. Thank you**
7. **ALL boys and girls interested in playing golf – come to a meeting on the Franson steps at the beginning of lunch TODAY. Bring your lunch.**

December, 2002

Dear Friends and Neighbors:

Greetings from Maranatha High School!! As we come to the close of this year, we want to extend to you our Christmas wishes. It is our hope and prayer that you may have a very blessed Christmas and a New Year filled with hope and fulfillment.

As we prepare for our next semester, we want to be sure that you are aware of our activities for the next several months of the New Year. You'll find an activity calendar of evening events enclosed.

Please note that you can contact us at anytime at the following numbers:

Traffic:	David Ekstrand, (626) 720-8218 or (626) 255-1127
Head of School:	Chet Crane, (626) 720-8160
Vice Principal:	Doug Barnett, (626) 720-8162
Vice Principal:	John Rouse, (626) 720-8161

The administration, family and staff at Maranatha High School once again wish for you and yours a very bright and merry Christmas.

In His service,

Charles E. Crane
Head of School

January 24, 2003

Dear Maranatha Parents,

If life is about change, then Maranatha High School is "living life" to its fullest. Over the past several months, change has truly punctuated this ministry. Constants remain even with the challenges of our new environment. As I observed a class this morning, the following characterized the milieu: students engaged in the learning continuum, teachers seeking to purposefully engage their class to think critically and integrate a Biblical world view, and relationships being nurtured among peers and faculty.

With change comes the opportunity to reflect upon our past and strategically plan for our tomorrow. While much has been accomplished toward fulfilling our mission, there is much, much more that needs to be done. We want to share with you our plans for the future in the context of the past. It's to that end that we will be having our first annual "State of the School" meeting on Tuesday, February 11 at 7:30 pm in the lower Pierce facility on the William Carey campus. Enclosed you will find a map to assist with parking.

Due to the nature of the information that will be shared with you, this meeting is mandatory for all parents. Dave Poole, Chair of the Board of Directors will be joining me as we cast a "Vision for Tomorrow". As a service to you, report cards will be available for distribution following the meeting.

I look forward to sharing with you the blessings of God's faithfulness and His continued confirmation of the important role that Maranatha High School has in the lives of our students and the community.

In His service and yours,

A handwritten signature in black ink, appearing to read "Charles E. Crane".

February 6, 2003

Dear Neighbors,

During this month of February, when we show our love and appreciation for those people that are important in our lives, we want to extend to you our appreciation for your patience and continued dialogue as we have transitioned onto the William Carey campus. You have truly been "good neighbors" as we, on a daily basis, try to reciprocate that courtesy.

For your information, we want you to be aware of our State of the School meeting on February 11th. This will be a meeting to update parents on several issues that are important to us as a school family. We have asked that our parents use the designated parking lots but, because Harvest Rock Church also has a function on the same night, there will probably be an overflow of street parking. Thank you in advance for your tolerance of the situation.

The administration and staff at Maranatha wish you a Happy Valentine's Day!

Sincerely

A handwritten signature in black ink, appearing to read "Charles E. Crane", written over a horizontal line.

*And
their
eyes
were opened,
and they
recognized
Him.*

On Easter Sunday, the first day after His death, Christ rose from the grave. He remained on earth until Pentecost. During this period, Christ met two of His disciples on the road from Jerusalem to Emmaus. He tested them and they spoke to Him but did not recognize Him. The following scene is described in Luke, 24: 28-31.

By the time they were nearing Emmaus and the end of the journey, their hearts were heavy and they began to say the words with them, it was getting late. So He went forward with them. As they sat down to eat, He said, God's blessing on the food and then took a small loaf of bread and broke it and then passing it over to them, when suddenly—and suddenly—their eyes were opened. —from the Fall 1987 calendar, *Our Maker Prints*, 1-800-14299, issued by E.L. Johnson International, Chicago, Illinois.

*"He is risen indeed!"
May the doors of the resurrection
be revealed to you this Easter.*

Maranatha High School
wishes you a blessed and
joyous Easter.
